as an enemy of superstition To Napoleon he was simply a role model a brilliant general orator and leader The book shows that Muhammad wears so many faces in the West because he has always acted as a mirror for its writers their portrayals revealing more about their own concerns than the historical realities of the founder of Islam **Muhammad in Europe** Minou Reeves, P. century Russia and twentieth century America The book challenges those scholars who do not see Orientalism as problematic and tend to ignore the role of musical representations in shaping the image of the Other within a wider interdisciplinary study of knowledge and power     *Catalogue of Printed Books* British Museum,1892     Catalogue of the Barton Collection, Boston Public Library Boston Public Library.
