*Annual Performance Plan Mpumalanga (South Africa). Department of Education, 2016      Inequality and Flourishing*  
Mariama Ifode-Blease ,2022-06-30 It is no surprise that Christians have long been involved in education the quest for human flourishing and wholeness is at the heart of the gospel and education is critical to that quest Good education has the power to transform our relationships with ourselves with each other with and within communities and ultimately between nation states But what is surprising is our theological silence in the face of the deep injustices which lie at the heart of our education system In Inequality and Flourishing Mariama Ifode Blease explores and exposes these inequalities and calls for a greater remembrance of the bountiful and daunting gift of stewardship we have as we educate young people Drawing on interviews she offers a fresh vision of education as being about giving children the best tools to be stewards of their minds and bodies our communities and ultimately our planet

### **The Influence of Theorists and Pioneers on Early Childhood Education**

Roy Evans,Olivia N. Saracho,2022-02-23 The chapters in this book reflect on the major shifts in the views of early childhood thinkers and educators who have contributed to contemporary theoretical frameworks pertaining to early childhood learning The book also revisits and critically analyses the influence of developmental theories on early childhood education starting in the 1890s with the work of G Stanley Hall that established the close association of early childhood education and child development Several chapters comprise critical examinations of the fundamental influence of thinkers such as Piaget Vygotsky Kohlberg Adler Pestalozzi Froebel and so on on early childhood learning The book also contends that these theoretical conceptions of child development have heavily influenced modern views of early childhood education This book is a significant new contribution to early childhood learning and will be a great resource for academics researchers and advanced students of Education Public Policy History of Education Psychology and Sociology The chapters in this book were originally published as a special issue of the Early Child Development and Care
