Suddenly everyone wanted a piece of the pie and there were constant clashes between the studio network labels and creatives as Disney Channel became a pressure cooker of perfection for its stars From private feuds and on set disasters to fanfare that swept the nation and the realities of child stardom culture journalist Ashley Spencer offers the inside story of the heyday of TV s House of Mouse featuring hundreds of exclusive new interviews with former Disney executives creatives and celebrities to explore the highs lows and everything in between **Annual Report** United Nations University,2012
