Help Those In Need:

Spiritual Tensions Bob Dukes, 2021-11-10 *Spiritual Tensions* is a 2 part workbook for emerging leaders. *Living In The Tensions* will help disciples learn how to navigate the tensions in the spiritual life while *Tensions Within Christianity* focuses on issues that sometimes cause conflict among Christians. Here's what you will find inside: *Living In The Tensions*, *The Eternal Versus The Temporal*, *Developing Realistic Expectations*, *The Problem Of Sin*, *Sorting Out Good And Bad*, *The Spiritual Battle*, *Tensions within Christianity*, *Defining Success In The Church*, *Avoiding Extremes In Theology*, *Avoiding Extremes In Practice*, *Different Denominations*, *Racism*, *Ministering To The Wounded And Or Rejected*, *Souls in Transition*.

Christian Smith, Patricia Snell, 2009-09-14 Based on candid interviews with thousands of young people tracked over a five year period, this book reveals how the religious practices of the teenagers portrayed in *Soul Searching* have been strengthened, challenged and often changed as they have moved into adulthood.

Mental Health Resilience Abigail Gosselin, 2024-05-01 While resilience is traditionally understood as an inner trait that individuals possess inside themselves, *Mental Health Resilience* argues that resilience should be seen as the product of social factors where other individuals and institutions provide the resources, opportunities and support that enable resilience. Resilience is also partly a matter of justice as people can only be resilient in addressing their vulnerabilities when they are given adequate resources and opportunities and in just ways. Seen in this light, Abigail Gosselin examines what a person who has mental illness needs to have the resilience required for mental health recovery and for coping with life challenges in general. With its focus on the social and political conditions of resilience, *Mental Health Resilience* will appeal to fields such as social philosophy, feminist political philosophy, philosophy of psychiatry, medical humanities, bioethics and disability studies.

Living with a Brother or Sister with Special Needs Donald Meyer, Patricia F. Vadasy, 2014-02-01 *Living with a Brother or Sister with Special Needs* focuses on the intensity of emotions that brothers and sisters experience when they have a sibling with special needs and the hard questions they ask: What caused my sibling's disability? Could my own child have a disability as well? What will happen to my brother or sister if my parents die? Written for young readers, the book discusses specific disabilities in easy-to-understand terms. It talks about the good and not-so-good parts of having a brother or sister who has special needs and offers suggestions for how to make life easier for everyone in the family. The book is a wonderful resource not just for siblings and their parents but also for teachers and other professionals who work with children with special needs. This revised and updated edition includes new sections on attention deficit hyperactivity disorder, fetal alcohol syndrome, fragile X syndrome, traumatic brain injuries, ultrasound, speech therapy, recent legislation on disabilities and an extensive bibliography.
