**EMR Complete** Daniel Limmer, 2010 EMR Complete A Worktext 1 e Dan Limmer EMR Complete A Worktext is Brady's first EMR offering that meets the recently updated National EMS Education Standards. This worktext is a combination text workbook that reinforces student learning by enabling students to instantly apply knowledge throughout a chapter, not just at the end. In addition to the worktext format of the book, several pedagogical components have been integrated to ensure optimal student learning, including a Navigation Guide, Objectives, Key Terms, Media Resources, Stop Review, Remember exercises, and Big Picture scene illustrations. Review Practice Examinations, Critical Thinking sections, and Case Studies reinforce key concepts and require the student to apply what they have learned, making this a true worktext. The knowledge and skills presented in this text maintain the perspective of the most important person in the EMS System: the one who arrives first. Features Include: Combination text workbook; worktext format enables students to apply knowledge learned throughout a chapter, not just at the end; Meets National EMS Education Standards; MyBradyKit solution, a one-stop shop for online chapter support materials and all your teaching resources, including PowerPoint slides, book-specific curriculum, lesson plans, handouts, assessments, and much more; Instructor's Wraparound Edition with teaching hints, points to emphasize, discussion questions, class activities, resources, and much more; Navigation Guide, Objectives, Key Terms, and Media Resources help students gain a foundation for learning chapter material; Stop Review, Remember Exercises at frequent intervals; and Review and Practice Examinations follow each section. Big Picture feature presents scenes for visual learning and real-life application, showing both the steps and the context on the scene.
