Bike Lust Barbara Joans, 2001-08-03 *Bike Lust* roars straight into the world of women bikers and offers us a ride In this adventure story that is also an insider's study of an American subculture Barbara Joans enters as a passenger on the back of a bike but soon learns to ride her own As an anthropologist she untangles the rules rituals and rites of passage of the biker culture As a new member of that culture she struggles to overcome fear physical weakness and a tendency to shoot her mouth off a tendency that very nearly gets her killed *Bike Lust* travels a landscape of contradictions Outlaws still chase freedom on the highway but so do thousands of riders of all classes races and colors Joans introduces us to the women who ride the rear the biker chick the calendar slut straddling the hot engine the back seat Betty at the latest rally or the underage groupie at the local run But she also gives us the first close look at women who ride in their own right on their own bikes as well as a new understanding of changing world of male bikers These are ordinary women's lives made extraordinary adding a dimension of courage to the sport not experienced by males risking life and limb for a glimpse of the very edge of existence This community of riders exists as a primal tribute to humanity's lust for freedom *Customer Relationship Management* Francis Buttle, 2009 This title presents an holistic view of CRM arguing that its essence concerns basic business strategy developing and maintaining long term mutually beneficial relationships with strategically significant customers rather than the operational tools which achieve these aims *Beyond MaxiMarketing* Stan Rapp, Thomas L.
