These study guides were made by me for my students to be used with the *Harcourt Hominans: United States History* text.

I felt the Chapters and Units in this text were daunting. It could be a bit overwhelming for a fifth grader to be prepared to remember everything for a social studies chapter test that contained 5 - 6 lessons plus 2 - 3 skill lessons; let alone a Unit test that contained 2 - 3 chapters! So after covering each chapter thoroughly (reading it together, recording for homework, completing worksheets and activities, writing vocabulary, taking vocabulary pretests and post tests², etc.), I wrote up these study sheets. They basically cover all the questions for the tests, but without the answer choices – which is why there is no key. If anything, by completing the study guides it forces them to *hopefully* go over the chapters again – the responsibility was up to them.

²I have provided the vocabulary pretests and post tests that I made for *Harcourt Hominans: United States History* text chapters 1 – 7 on TeachersPayTeachers as well.
