**HOW TO SUCCEED** BY ORISON SWETT MARDEN

Orison S. Marden brings to light some of the most fascinating gems of success intellect that have ever been published. He says I was at first everybody's servant. I was abused, called all sorts of nicknames, had to sweep out the office, build fires in winter, run errands, post bills, carry papers, wait on the editor in fact I led the life of a genuine printer's devil but when I showed them at length that I had learned to set type and run the press I got promoted and another boy was hired to succeed to my task with all its decorations. That was my first success and from that day to this I have never asked anybody to get me a job or situation and never used a letter of recommendation but when an important job was in prospect the proposed employers were given all facilities to learn of my abilities and character. If some young men are easily discouraged I hope they may gain encouragement and strength from my story. It is a long rough road at first but like the ship on the ocean you must lay your course for the place where you hope to land and take advantage of all favoring circumstances.
