travel But after months of suddenly finding herself in faraway places and living through events that haven t taken place yet she s beginning to think there might actually be something beyond the normal Ethan never believed he d be living in his brother s house let alone with the woman that s haunted his dreams and every waking moment for the past few months The Ascension Jessica was getting tired of fighting fate Not only had some really weird stuff been going on the past few months but now she found herself crawling out of Jacob s bed She hated the guy Well okay she d avoided the guy Sure she d fantasized about him most of her life but that didn t mean she couldn t fight the attraction Something was coming and everyone in town felt it not just the chosen group she d found herself part of in the last few months And if her being with Jacob was fated she was determined to fight it for as long as she could because she knew what was coming even when no one else did She knew how important everyone s roles were in the next few weeks But with the disappearance of Breanna fate may have just taken a huge turn For the worse Jacob has completely lost it That s the only explanation for what he d been going through And now he s suddenly found himself inexplicably drawn to Jess This new desire he feels for her is stronger than the need to breathe What new powers did this witch hold over him And more important was there a chance they would survive the upcoming horrors
