**The Azawakh: A Complete and Comprehensive Beginners Guide To: Buying, Owning, Health, Grooming, Training, Obedience, Understanding** Michael Stonewood, 2019-03-14 The Azawakh is a breed of sighthound that originates from Africa The breed was mainly developed by the nomads of the Sahara desert and in the countries Mali Niger Burkina Faso and southern Algeria The Azawakh was originally developed to be a guard dog as well as having the

ability to spot and hunt large and fast prey such as gazelles and desert hares The Azawakh is highly athletic and energetic due to match its original purpose and can achieve running speeds of up to 40 miles per hour Unlike most sighthounds the Azawakh is a pack hunter They chase their prey as a pack and bump the preys hindquarters until it reaches the point of exhaustion The breed is also known to guard as a pack If a single Azawakh senses danger they will bark and alert the rest of the pack who will group around the alpha dog and either scare off or attack the predator or source of danger The Azawakh is an incredibly hardy animal it has incredibly high physical endurance and can happily run in heats of over 100 degrees Fahrenheit which would kill a greyhound However the Azawakh is known to become whiney and unhappy in cold and wet climates and it is therefore not recommended to own a Azawakh in a country that is not hot for the majority of the year The breed is known to create a strong bond with their owners but as still able to function independently due to their high levels of intelligence The Azawakh is also known to be affectionate loving and loyal The breed is known to be good around small children as they have traditionally always served the nomads of the Sahara as protectors when they are not being used to hunt Before purchasing any pet it is important to understand that as a pet owner you are responsible for the care and wellbeing of your pet It is important to try and learn as much as you can about the animal you are considering to keep as a pet to make sure that your lifestyle household and financial status are suited to provide your pet with the best possible care This guide has been designed to provide you with both precise and concise information about a Azawakh s basic needs to help you provide your pet with the best quality care practices This guide will give an in depth explanation on training your Azawakh raising your Azawakh from a puppy grooming health care and everything in between The Azawakh A Complete and Comprehensive Beginners Guide to Buying Owning Health Grooming Training Obedience Understanding and Caring for Your Azawakh by Michael Stonewood is the perfect purchase or gift for a first time Azawakh owner This guide includes sections on caring for a puppy breeding health care training the basic cost of owning an Azawakh and much more This book is the second edition the first edition was published by Dog Care Professionals      The Korean Jindo Michael Stonewood,2019-04-12 The Korean Jindo is a breed of hunting dog that originates from the Jindo Island which is located in South Korea The breed is celebrated throughout South Korea for having an extremely brave and loyal nature The Korean Jindo was traditionally used for hunting purposes due to its courage intelligence and pack sensibility The breed was normally used to hunt medium to large sized game such as deer and boar but there is actually a South Korean legend that tells of how three Korean Jindos killed a Siberian Tiger during a hunt Despite this legend seeming unrealistic there are multiple reports of Korean Jindo killing deer or coyotes without the knowledge or direction of their owners During a hunt a pack of Korean Jindo will use their combined strength to take down the prey and then will send a single Jindo back to the hunter to lead him to the prey The Korean Jindo is a breed of double coated spitz type dog The breed is split into two typing Tonggot which have a more muscular body and Hudu which have more slender and agile bodies The breed s coat normally comes in white fawn grey

black and brindle The temperament of dogs is normally affected by the following factors individual personality heredity training and socialization It is therefore important to make sure that you meet the puppy s mother before purchasing a Korean Jindo It is also important to make sure to thoroughly socialize your Korean Jindo with strangers children and other animals during its puppyhood Generally speaking the Korean Jindo is an incredibly energetic affectionate and loyal breed of dog It is important to note that when keeping a Korean Jindo it is important to have a fenced garden a fence of at least 6ft is recommended as the Korean Jindo is likely to explore its surroundings due to its innate hunting instinct It is important to note that as a working breed the Korean Jindo has a high amount of energy which needs to be expended If the Korean Jindo has a buildup of energy it is likely to develop destructive behaviors due to boredom or hyperactivity Before purchasing any pet it is important to understand that as a pet owner you are responsible for the care and wellbeing of your pet It is important to try and learn as much as you can about the animal you are considering to keep as a pet to make sure that your lifestyle household and financial status are suited to provide your pet with the best possible care This guide has been designed to provide you with both precise and concise information about a Korean Jindo s basic needs to help you provide your pet with the best quality care practices This guide will give an in depth explanation on training your Korean Jindo raising your Korean Jindo from a puppy grooming health care and everything in between The Korean Jindo A Complete and Comprehensive Owners Guide to Buying Owning Health Grooming Training Obedience Understanding and Caring for Your Korean Jindo by Michael Stonewood is the perfect purchase or gift for a first time Korean Jindo owner This guide includes sections on caring for a puppy breeding health care training the basic cost of owning a Korean Jindo and much more This book is the second edition the first edition was published by Dog Care Professionals     **The Ley Hunter's Manual** Alfred Watkins,1989     *The Ultimate Guide to Small Game and Varmint Hunting* H.
