

## Tracing a word throughout the play Act IV.

-- BLOOD -- NIGHT -- HAND -- SLEEP -- BLOOD -- NIGHT -- HAND -- SLEEP -- BLOOD --

**My word is:**

### Directions for the journal entries

Every time the word is used, create a journal entry.

1. Write out the passage that contains your word and give the act, scene and line numbers. Record enough of the passage to make its meaning clear; avoid cutting off in mid thought. Identify the speaker.
2. Clarify the meaning of the passage by paraphrasing it & put it into your own words. Briefly explain what is happening in the play at the time the words are spoken.
3. Draw conclusions about how the word is used. For example, compare the passage to one you recorded earlier by explaining how the meaning of the word is affected by the character that uses it and the situation in which it is used.
4. At the end of the act, use your journal to draw more conclusions. What characters uses the word most often? How does the denotation and connotation of the word change from character to character, situation to situation? Is there an unusual use of the word? How does this word affect & impact the act as a whole?

### Example

### iii. Other than usual methods

*Banquo: In the great hand of God I stand; and thence  
Against the undivulged pretence I fight  
Of treasonous malice. [2.3.918]*

## **b. Parameters and classification**

After Lady Macbeth is carried out he realizes that the Macbeths will need to be removed from the throne. He feels it's his duty and that God's force, god'd "hand" is making this happen. Hand is like fate.

### **C. Combustion**

Here "blood" is not being used as the liquid in our veins that can spill when violence happens, but rather here "blood" is being used to mean family and the ancestry and line of a royal family. They believed blood was divine and given by god to rulers.
