Futures for English Studies Ann Hewings, Lynda Prescott, Philip Seargeant, 2016-01-12 Futures for English Studies brings together chapters by leading writers across the curriculum area of English to investigate how the component parts of English literature language and creative writing are located institutionally in higher education and to explore the interdisciplinary prospects of a subject which spans the humanities and social sciences Through explorations of changing foci in a variety of contexts the book examines the value and purpose of teaching and researching English language literature and creative writing in the twenty first century both within Anglophone countries and the wider world The contributors all practicing educators and researchers in the field bring a wide range of perspectives to the theme of the development of the discipline and illustrate that the strengths of English Studies as an academic subject lie not only in its traditional breadth and depth but also in a readiness to adapt experiment and engage with other subjects

From Panem to the Pandemic: An Introduction to Cultural Studies Michael Butter, 2023-11-06 Today virtually all BA programs in English at German universities place a strong focus on Cultural Studies However textbooks that introduce first year students to the subject are rare and the few existing ones are too complicated or not comprehensive enough By contrast this textbook introduces the key theories and concepts of Cultural Studies systematically and thoroughly It puts particular emphasis on their application aiming to enable

students to do their own analyses of cultural artefacts and practices The author draws on many examples mostly taken from American culture but in each chapter he applies the ideas introduced to The Hunger Games franchise and the coronavirus pandemic to show how different theories can lead to very different interpretations of the same phenomenon Each chapter ends with exercises that allow students to apply what they have learned
