**Statement of Necessity:**

**Statement of Necessity Requiring Public Necessity Rules**

This statement is made in accordance with §4-5-206(3) of the Tennessee Code Annotated and Rule 1300-1-2-.0700(c) of the Official Compilation Rules and Regulations of the State of Tennessee (O.C.R.R.S.T.). It is the finding by the Department of Finance and Administration, Division of Mental Retardation Services, that the foregoing rules of the Methodology Utilized to Determine Payments to Service Providers (Rate Structure) should be effective immediately based upon public necessity.

Pursuant to an agreement between the Division of Mental Retardation Services (Division) and the Bureau of TennCare, these agencies have worked extensively over the past several years to revise the rate-making system currently in effect for community service providers under agreement with the Division. The result of this effort has been the development of a methodology for determining the funding mechanism/amounts to be paid to the Division's contractors who aid the mentally retarded in Tennessee.

The rates generated by this methodology are required as a condition of the Division's funding waivers from the Center for Medicaid/Medicare Services (CMS) and also to remain with in its budgetary limitations under its Delegated Purchase Authority to secure procurement of services for those persons to whom CMS provides supports and assistance. These waivers are the means by which the Division receives via the Federal Medicaid (TennCare) Program up to seventy percent (70%) of its monetary resources. The costs per-person, per-day are now running significantly above budgeted amounts for these services and the Division is seeking to control this fiscal problem in a responsible manner. Although, CMS' Provider Agreement (contract) with its providers does give some guidance for the funding of payments to be received for services rendered, it is not ultimately
