## **Fated Alex Verus 1 Benedict Jacka:**

**The Alex Verus Novels, Books 1-4** Benedict Jacka, 2014-03-04 The first four books in the outstanding provocative series Publishers Weekly featuring Alex Verus who is part of a world hidden in plain sight running a magic shop in London And while Alex's own powers aren't as showy as some mages he does have the advantage of foreseeing the possible future allowing him to pull off operations that have a million to one chance of success Includes Fated, Cursed, Taken and Chosen I just added Benedict Jacka to my must read list Jim Butcher author of the Dresden Files novels

*Chosen* Benedict Jacka, 2013-08-27 THE NEW ALEX VERUS NOVEL I don't publicly advertise that I'm a mage but I don't exactly hide it either and one of the odd things I've learnt over the years is just how much you can get away with if you're blatant enough Hide something behind smoke and mirrors and make people work to find it and they'll tear the place down looking for what's there Alex Verus is a diviner who can see probable futures a talent that's gotten him out of many a tough scrape But this time he may be in over his head Alex was once apprenticed to a Dark mage and in his service he did a lot of things he isn't proud of As rumors swirl that his old master is coming back Alex comes face to face with his misdeeds in the form of a young adept whose only goal is to get revenge Alex has changed his life for the better but he's afraid of what his friends including his apprentice Luna will think of his past But if they're going to put themselves at risk they need to know exactly what kind of man they're fighting for

*Taken* Benedict Jacka, 2012-08-28 This time last year I could go weeks without seeing another mage In mage society I was an unknown and all in all that was how I liked it It's hard to say what changed Whatever it was I got involved in the magical world again and started getting myself a reputation Alex Verus's insights into the future used to be the best kept secret in London Now with the aid of his apprentice Luna his unique investigative talents are all the rage He just has to be careful about picking his employers because everyone even the beautiful woman who practically begs him to run security for a prestigious tournament has motives that can be hard to predict And Alex doesn't do unpredictable But his latest gig just might be impossible Apprentices have been vanishing without a trace and someone on the Council could be involved Alex has no evidence no witnesses and no suspects All he knows is that someone is keeping tabs on him And after assassins target Luna's classmate Alex sees that he doesn't know the half of it and that he could be the next to disappear

**Veiled** Benedict Jacka, 2015-08-04 National bestselling author Benedict Jacka returns to the world of Alex Verus I thought I'd escaped my past But my old master is back and making a new play for power And he's not the only one targeting me Diviner Alex Verus and the Council that governs the magical community have never gotten along But with his former teacher back in Britain Alex is in desperate need of allies and he'll do whatever it takes to get them even if it means accepting a job with the Keepers enforcing magical law Alex forms an uneasy alliance with his new partner Caldera but his attempt at legitimacy quickly turns lethal when a mission puts him in possession of an item that factions both inside and outside of the Council would kill to get their hands on Once again caught in the middle of a deadly conflict Alex will need all his abilities to

figure out who his friends are especially when enemies are hiding on all sides     *Crossed Blades* Kelly McCullough, 2012-11-27 A new series filled with multifaceted characters layered plots and the type of quixotic scenarios that only the imagination of Kelly McCullough could possibly create Brilliant Huntress Book Reviews For six years former temple assassin Aral Kingslayer has been living as a jack of the shadow trades picking up odd jobs on the wrong side of the law But the past is never dead and Aral s has finally caught up to him in the beautiful dangerous form of Jax Seldansbane a fellow Blade and Aral s onetime fianc e Jax claims that the forces that destroyed everything Aral once held dear are on the move again and she needs his help to stop them But Aral has a new life now with a fresh identity and new responsibilities And while he isn t keen on letting the past back in the former assassin soon finds himself involved in a war that will leave him with no way out and no idea who to trust     **An Inheritance of Magic** Benedict Jacka, 2023-10-05 ANYONE CAN USE MAGIC IF THEY CAN AFFORD THE PRICE In a world where everything magical is bought up and controlled by the super rich Stephen Oakwood has inherited a natural talent for magic Plunged by his father s disappearance into a glittering world of scheming dynasties warring patriarchs and vicious scions Stephen must navigate magical high society and learn to control his gifts Dangerous enemies await the Oakwood heir and even more dangerous allies if Stephen cannot master his magic quickly and learn to distinguish friend from foe his name may end up on the missing persons list just like his father     **An Instruction in Shadow** Benedict Jacka, 2024-10-17
