Movie Guide for Puzzled Parents Lynn Minton,1984 **Redeeming the Screens** Jeanne C. DeFazio,William David Spencer,2016-05-03 How does the future look to us Well clearly we realize we now live in a world of screens from the microcosmic universe of to smartphone to the imposing vigil of the multiplex giants looming over us in Imax and 3 D more real than real and to all the screens in between from computers to iPads to muted high definition flat screens pouring out images in homes restaurants banks businesses schools doctors offices and hospitals and on and on everywhere we turn We cannot change this reality so what these Christians and so many like them are doing is trying to find ways to redeem what we put on these screens what message we are sending out in word and image to the watching world So clearly our task whether we have been called to create or not is to join these artists as screen redeemers assisting the Holy Spirit in reconciling the world to God 2 Cor 5 18 19 through helping the pervasively influential means of the media adjust its goals to the mission of Jesus Christ **The Movie & Video Guide for Christian Families** Theodore Baehr,Bruce W. Giglio,2005 Here s Looking at You Hollywood Film Politics examines the tangled relationship between politics and Hollywood which manifests itself in celebrity involvement in political campaigns and elections and in the overt and covert political messages conveyed by Hollywood films The book s findings contradict the film industry s assertion that it is simply in the entertainment business and examines how while the majority of Hollywood films are strictly commercial ventures hundreds of movies ranging from Birth of a Nation to Fahrenheit 9 11 do indeed contain political messages Here s Looking at You serves as a basic text for political film courses and as a supplement in American government and film studies courses and will also appeal to film buffs and people in the film industry
