

50 Useful Tips for Speaking English Fluently

38 Practice speaking English in front of a mirror

This should be especially handy when preparing for public speaking events as it will boost your confidence.

39 Learn to say things in your own way

By learning to paraphrase English statements, you can avoid repeating statements so that you increase your speaking fluency in random situations.

40 Master some specific phrases

Knowing particular phrases can enrich your language and enhance your fluency.

41 Try writing based on new things you have learned

Writing can also improve your speaking as it will give you a hint of what you would sound like when you actually speak the language.

42 Retell a story or a joke in English

If you know a story in your native language, try retelling it in English and see how easy or hard it is.

43 Engage in English activities

Taking part in activities that involve the use of spoken English can make you more comfortable speaking the language.

44 Debate in English

Getting into debates in English on topics you love can really improve your speaking skills.

45 Don't rush your speech

If you have not yet mastered some words, speak slowly until saying them fast and comfortably becomes a possibility.

46 Listen and try to sing along to rap music

The music can help you learn the rhythm of some English words.

47 Try interrupting and interjecting politely

This will help you improve your speaking confidence and eliminate the anxiety that would come from not knowing when to speak.

48 Understand that there is always room for improvement

This means that learning English should be a long-term commitment for you, even after completing an English speaking course.

49 Speak the English you know

The English you can speak the best is that which you have learned, struggling to speak complex English you do not fully understand can derail your progress.

50 Try to be realistic

Know that it will take time to learn English, and that an accent might always be evident in your speech. Learn to accept that.
