Pro-Systems Complete Baton Manual Fernan Vargas, Joseph Truncate, 2015-10-03 The straight stick has probably been used as a self defense tool since a human made the first footprints on earth. Through the ages variations of the stick and staff have been created to make a better self defense tool. The straight stick was turned into spears and swords. Understanding the basic use of the straight police baton makes it possible to use

numerous other objects for self defense. In fact the same techniques taught for using the police baton relate to a host of stick fighting and sword arts such as Hanbo Jutsu, Jo Jutsu, Wakizashi Jutsu and similar weapon combat systems. It is hoped this book will provide a basic overview of the many ways a straight baton can be used for self defense control and takedowns for law enforcement security officers and martial artists studying weapons

Pro-Systems: The Basic Use of 5 Weapons Joseph Truncate, 2015-03-14 Besides the body's natural weapons we also emphasize how to use five basic weapons that can relate to numerous other common items for self defense purposes. They include the following. The Short Stick, the Straight Stick, Straight Baton, the Side Handle PR 24 Baton, the Knife and the Gun are the primary weapons in the Pro Systems Combatives program
