she's not shocked to discover the source of her mother's wealth. The clash of these two strong-willed but culturally constrained Victorian women is the spark that ignites the ironic wit of one of George Bernard Shaw's greatest plays in a withering critique of male domination, sexual hypocrisy, and societal convention.

**Mrs. Warren's Profession** Shaw George Bernard, 2018-05-29 George Bernard Shaw (26 July 1856 – 2 November 1950) was an Irish playwright. *Mrs Warren's Profession* is a play written by George Bernard Shaw in 1894 and first performed in London in 1902. The title refers to prostitution. The story centres on the relationship between Mrs Kitty Warren and her daughter Vivie. Mrs Warren, a former prostitute and current brothel owner, is described as on the whole a genial and fairly presentable old blackguard of a woman. Vivie, an intelligent and pragmatic young woman who just graduated from college, has come home to get acquainted with her mother for the first time in her life. The play focuses on how their relationship changes when Vivie learns what her mother does for a living. It explains why Mrs Warren became a prostitute, condemns the hypocrisies relating to prostitution, and criticizes the limited employment opportunities available for women in Victorian Britain.
