### **Gallardo Manual 33:**

Damnatio Memoriae Magdalena Gorrell Jaen, 2017-12-29 Toward the Retrieval of the Historic Memory of Spain In Ancient Rome the senate would impose a dishonour known as the damnatio memoriae obliteration of memory as a form of punishment inflicted upon traitors or anyone who was not in the Roman emperors good books In Francos Spain this punishment provided the framework for the new states genocidal policy to exterminate all those opposed to the Fascist regime that is half of the Spanish population The military coup that overthrew the legal Republican government with a bloody civil war that began July 18 1936 inflicted a totalitarian regime under General Franco that remained in power until the Caudillos death in 1975 More than three quarters of a century later supporters of the movement to restore the Historic Memory of Spain strive to unearth and publish the stories of the hundreds of thousands of loyal men and women whose memory the Francoists have endeavoured to consign to oblivion and to damn for eternity They shall not be forgotten

**Manual of Romance Forensic Linguistics** Victoria Guillén-Nieto, Dieter Stein, 2025-06-02 It is evident that published serious science based work in Forensic Linguistics is predominantly written in English and focuses on casework from the English speaking world While the first aspect is understandable given that English serves as an international lingua franca in scientific discourse the second aspect presents a significant limitation for the field Should researchers assume that there is simply less crime in non English speaking areas of the world A more pertinent question might be What cultural disciplinary legal or legal cultural factors contribute to the lack of research in and on languages other than English In addition to addressing the underrepresentation of Romance languages in scientific publications related to forensic work the chapters in this handbook will also explore the reasons behind this unfortunate situation Designed to engage readers whether they are linguists legal professionals or simply interested individuals and to spark interest in Romance Forensic Linguistics this handbook follows three key objectives First we are committed to providing a comprehensive overview of the casework and research conducted in and on several Romance languages including Peninsular Spanish Catalan Brazilian Portuguese French Canadian French Italian and Romanian Second the chapters in this volume seek to understand why Forensic Linguistics has thrived more in some Romance speaking countries than in others Finally we aim to uncover the reasons for the slower development of Forensic Linguistics in regions where Romance languages are predominantly spoken The Car Book 2005
