**The Sense of Sight** John Berger,1993-11-30 With this provocative and infinitely moving collection of essays a preeminent critic of our time responds to the profound questions posed by the visual world For when Booker Prize winning author John Berger writes about Cubism he writes not only of Braque L ger Picasso and Gris but of that incredible moment early in this century when the world converged around a marvelous sense of promise When he looks at the Modigliani he sees a man s infinite love revealed in the elongated lines of the painted figure Ranging from the Renaissance to the conflagration of Hiroshima from the Bosphorus to Manhattan from the woodcarvers of a French village to Goya D rer and Van Gogh and from private experiences of love and of loss to the major political upheavals of our time The Sense of Sight encourages us to see with the same breadth courage and moral engagement that its author does

look at a painting watch a film or even visit a zoo in quite the same way again The vast range of subjects he addresses the lean beauty of his prose and the keenness of his anger against injustice move us to view the world with a new lens of awareness Whether he is discussing the singleminded intensity of Picasso's Guernica the parallel violence and alienation in the art of Francis Bacon and Walt Disney or the enigmatic silence of his own mother what binds these pieces throughout is the depth and fury of Berger's passion challenging us to participate to protest and above all to see **Landscapes** John Berger, 2016-11-01 Essential reading n 1 Creative and political art criticism on landscape works from the Renaissance to the present from a master storyteller Arundhati Roy author of The God of Small Things In this brilliant collection of diverse pieces essays short stories poems translations which spans a lifetime's engagement with art John Berger reveals how he came to his own unique way of seeing He pays homage to the writers and thinkers who influenced him such as Walter Benjamin Rosa Luxemburg and Bertolt Brecht His expansive perspective takes in artistic movements and individual artists from the Renaissance to the present while never neglecting the social and political context of their creation Berger pushes at the limits of art writing demonstrating beautifully how his artist's eye makes him a storyteller in these essays rather than a critic With landscape as an animating liberating metaphor rather than a rigid definition this collection surveys the aesthetic landscapes that have informed challenged and nourished John Berger's understanding of the world Landscapes alongside its companion Portraits completes a tour through the history of art that will be an intellectual benchmark for many years to come **The Shape of a Pocket** John Berger, 2009-09-09 From Booker Prize winning author John Berger a collection of essays that explores the relationship of art and artists and includes examinations of the work of Brancusi Degas Michelangelo and Frida Kahlo among others The pocket in question is a small pocket of resistance A pocket is formed when two or more people come together in agreement The resistance is against the inhumanity of the New World Economic Order The people coming together are the reader me and those the essays are about Rembrandt Paleolithic cave painters a Romanian peasant ancient Egyptians an expert in the loneliness of a certain hotel bedroom dogs at dusk a man in a radio station And unexpectedly our exchanges strengthen each of us in our conviction that what is happening in the world today is wrong and that what is often said about it is a lie I've never written a book with a greater sense of urgency John Berger **About Looking** John Berger, 1992-01-08 As a novelist art critic and cultural historian Booker Prize winning author John Berger is a writer of dazzling eloquence and arresting insight whose work amounts to a subtle powerful critique of the canons of our civilization In About Looking he explores our role as observers to reveal new layers of meaning in what we see How do the animals we look at in zoos remind us of a relationship between man and beast all but lost in the twentieth century What is it about looking at war photographs that doubles their already potent violence How do the nudes of Rodin betray the threats to his authority and potency posed by clay and flesh And how does solitude inform the art of Giacometti In asking these and other questions Berger quietly but fundamentally alters the vision of anyone who reads his work **G. John**

John Berger Andy Merrifield,2013-02-15 With a career in literature and art spanning more than sixty years John Berger is characterized by an independent and anti-institutional approach to creativity Working in a range of media including novels painting essays and scriptwriting Berger's voice has resounded through mainstream and alternative culture alike He is perhaps best known for his seminal book of art criticism *Ways of Seeing* published in 1972 Tied directly into a four part BBC television series the book presented a radical new interpretation of Western cultural aesthetics In the same year Berger's experimental novel G was awarded the Man Booker Prize for Fiction cementing his reputation as a boundary pushing writer and thinker In this concise yet detailed study of Berger's life and work the first for decades Andy Merrifield sheds light on Berger the man the artist and the concerned citizen Merrifield shows Berger to be a figure who constantly strives to open up new horizons and also reveals the depth of feeling that infuses even his most intellectual work In this sense Berger is a creator who feels reality like the irrationalist Rousseau yet is also a meticulous realist probing objects critically and rationally like Spinoza John Berger stitches together art literature biography and politics into a lucid coherent whole The result is a reader friendly freewheeling narrative which gives fascinating insight into one of the most influential thinkers of our times The book is essential reading for students and scholars of art literature and twentieth century culture

Ways of Telling Geoff Dyer,1986 **Another Way of Telling** John Berger,2011-07-13 There are no photographs which can be denied All photographs have the status of fact What is to be examined is in what way photography can and cannot give meaning to facts With these words two of our most thoughtful and eloquent interrogators of the visual offer a singular meditation on the ambiguities of what is seemingly our straightforward art form As constructed by John Berger and the renowned Swiss photographer Jean Mohr that theory includes images as well as words not only analysis but anecdote and memoir Another Way of Telling explores the tension between the photographer and the photographed between the picture and its viewers between the filmed moment and the memories that it so resembles Combining the moral vision of

the critic and the practical engagement of the photographer Berger and Mohr have produced a work that expands the frontiers of criticism first charged by Walter Benjamin Roland Barthes and Susan Sontag **Confabulations** John Berger,2016-10-06 Language is a body a living creature and this creature's home is the inarticulate as well as the articulate John Berger's work has revolutionized the way we understand visual language In this new book he writes about language itself and how it relates to thought art song storytelling and political discourse today Also containing Berger's own drawings notes memories and reflections on everything from Albert Camus to global capitalism Confabulations takes us to what is true essential and urgent

**From A to X** John Berger,2008 No Marketing Blurb *Keeping a Rendezvous* John Berger,2011-07-13 When he stands before Giorgione's *La Tempesta* Booker Prize winning author John Berger sees not only the painting but our whole notion of time sweeping us away from a lost Eden A photograph of a gravely joyful crowd gathered on a Prague street in November 1989 provokes reflection on the meaning of democracy and the reunion of a people with long banished hopes and dreams With the luminous essays in *Keeping a Rendezvous* we are given to see the world as Berger sees it to explore themes suggested by the work of Jackson Pollock or J M W Turner to contemplate the wonder of Paris Rendezvous are manifold between critic and art artist and subject subject and the unknown But most significant are the rendezvous between author and reader as we discover our perceptions informed by Berger's eloquence and courageous moral imagination **And Our Faces, My Heart, Brief as Photos** John Berger,2011-07-13 Berger reveals the ties between love and absence the ways poetry endows language with the assurance of prayer and the tensions between the forward movement of sexuality and the steady backward tug of time He recreates the mysterious forces at work in a Rembrandt painting transcribes the sensorial experience of viewing lilacs at dusk and explores the meaning of home to early man and to the hundreds of thousands of displaced people in our cities today *And Our Faces My Heart Brief as Photos* is a seamless fusion of the political and personal

*A Writer of Our Time* Joshua Sperling,2018-11-20 John Berger was one of the most influential thinkers and writers of postwar Europe As a novelist he won the Booker Prize in 1972 donating half his prize money to the Black Panthers as a TV presenter he changed the way we looked at art in *Ways of Seeing* as a storyteller and political activist he defended the rights and dignity of workers migrants and the oppressed around the world In 1953 he wrote *Far from dragging politics into art* art has dragged me into politics He remained a revolutionary up to his death in January 2017 In *A Writer of Our Time* Joshua Sperling places Berger's life and works within the historical narrative of postwar Britain and beyond The book also explores through the work the larger questions that vexed a generation the purpose of art the nature of creative freedom the meaning of commitment Drawing on extensive interviews close readings and a wealth of archival sources only recently made available the book brings the many different faces of John Berger together and shows him as one of the most vital and brilliant thinkers and storytellers of our time **Art and Revolution** John Berger,2011-07-13 In this prescient and beautifully written book Booker Prize winning author John Berger examines the life and work of Ernst Neizvestny a Russian sculptor whose exclusion

from the ranks of officially approved Soviet artists left him laboring in enforced obscurity to realize his monumental and very public vision of art But Berger's impassioned account goes well beyond the specific dilemma of the pre glasnost Russian artist to illuminate the very meaning of revolutionary art In his struggle against official orthodoxy which involved a face to face confrontation with Khruschev himself Neizvestny was fighting not for a merely personal or aesthetic vision but for a recognition of the true social role of art His sculptures earn a place in the world by reflecting the courage of a whole people by commemorating in an age of mass suffering the resistance and endurance of millions Berger is probably our most perceptive commentator on art A civilized and stimulating companion no matter what subject happens to cross his mind

Philadelphia Inquirer    **Permanent Red** John Berger,2025-03-25 In Permanent Red John Berger argues that the contemporary artist should strive for a realism that aims for hope to transform the world Surveying the work of historical artists as well as that of near contemporaries such as Picasso Lger and Matisse he explores the role of the artist dividing these figures into those that struggle those that fail and the true masters He explains why we should study the work of the past in order to understand the present and to rethink the future First published in 1960 Permanent Red established John Berger as a firebrand critic willing to broadcast controversial opinions on some of the most important British artists of the day including Henry Moore and Barbara Hepworth    **King** John Berger,2012-11-07 In this book you will be led to a place you haven't been from where few stories come You will be led by King a dog or is he a dog to a wasteland beside the highway called Saint Val ry Here at the end of the twentieth century among smashed trucks old boilers and broken washing machines live Liberto Malak Jack Corinna Danny Anna Joachim Saul Alfonso and Vico and Vica Listen to King's voice as he tells a different kind of story twenty four hours pass and lives are lived It is good to have survived another winter for now it is spring when the nights though cold are no longer harsh enough to kill The wet season is over and with it the hopelessness of damp Today the sun will shine of what else will the day be made King is at once a furious homage to the homeless and a lyrical meditation on language and experience The bitter yet celebratory prose speaks to us all
