Enter **Mushrooming with Confidence**. Improving on the usual overwhelming and exhaustive wild plant guidebook, **Mushrooming with Confidence** is a slim, handy manual that focuses on the tastiest and most common mushrooms so that you can easily spot those that are not only safe to eat but also a delight to cook and share. Here, mushrooms are divided into four identification categories so that anyone will be able to recognize what he or she is looking at quickly and correctly. Thirty of the most common and delicious types are explained in detail, from the common field mushroom to the pretty purple amethyst deceiver and the prolific and tasty charcoal burner. Each mushroom includes a Positive ID Checklist that the reader can go through to be absolutely certain they have the right species, and more than 300 color photographs make it a snap to know exactly what kind of mushroom you've found and whether you really want to pick it. With lists of the best tools for mushrooming, the best techniques for getting a mushroom out of the ground in one piece, and even how to remove worms, **Mushrooming with Confidence** will extinguish any fear or doubt that might stop you from hunting down your own delicious mushrooms.
