Hamdan,2015-12-01 Saudi Arabia is witnessing unprecedented progress in the field of higher education Even though the country opened its first university in 1957 so far there seems to be little English scholarly writing about Saudi education in general and higher education in particular The current expansion of Saudi Arabia s higher education system has put a

spotlight on this serious gap in the international literature This book helps to fill this lacuna through the work of 16 scholars who have contributed to the development of the Saudi education system In so doing the book reveals areas where more research is required and thus provides a useful starting point for education scholars This anthology is unique in that it is the first to offer a comprehensive perspective on the current knowledge base pertaining to Saudi higher education as well as to the ongoing efforts to introduce reforms
