Labor's Story in the United States Philip Yale Nicholson,2004 In this the first broad historical overview of labor in the United States in twenty years Philip Nicholson examines anew the questions the villains the heroes and the issues of work in America Unlike recent

books that have covered labor in the twentieth century Labor's Story in the United States looks at the broad landscape of labor since before the Revolution. In clear, unpretentious language Philip Yale Nicholson considers American labor history from the perspective of institutions and people: the rise of unions, the struggles over slavery, wages and child labor, public and private responses to union organizing. Throughout the book, the focus is on the integral relationship between the strength of labor and the growth of democracy, painting a vivid picture of the strength of labor movements and how they helped make the United States what it is today. *Labor's Story in the United States* will become an indispensable source for scholars and students. Author note: Philip Yale Nicholson is Professor of History at Nassau Community College and Adjunct Professor at the Cornell University School of Industrial and Labor Relations Long Island Extension. He is the author of *Who Do We Think We Are? Race and Nation in the Modern World*.

Theatre in Education in Britain Roger Wooster, 2016-02-25. Following on from the 50th anniversary of the birth of Theatre in Education in Britain in 2015, this is an essential and timely companion to the story of TIE. It contextualizes it within the political and educational landscape of the last fifty years and examines its legacy today. Through this Roger Wooster offers insights into future possibilities and applications in the field of Applied Theatre drama in schools and pedagogical theory. With examples and analysis of international developments in TIE and a foreword by Philip Taylor (NYU USA) the volume provides a wide ranging account of past and current practice. Across its three sections the volume examines the origins, work and legacy of TIE, considering for the first time its practical details. Each section features an Afterword by a leading practitioner reflecting on the work including Warwick Dobson, Chris Vine and Anthony Jackson and chapters draw on case studies and interviews with key practitioners. Chapter summaries and a companion website further enhance the text as a valuable teaching resource for theatre educators.
