### **Step 1: Visit [nyc.gov/SummerRising](http://nyc.gov/SummerRising)**

- Click the link to the Summer Rising enrollment portal. →
- All New York City students currently in grades K-8 (2021-2022 school year) are eligible.
- At the top right, you will see the option to translate the application.
- If you need support accessing the internet, contact your school's Parent Coordinator.

### **Step 2: Enter your information**

- Include your email address so we can send you a seat confirmation. If you do not have an email address, contact your school's Parent Coordinator.
- If your child is a public school student, enter their 9-digit student ID number. You can find this number on your child's report card or by [contacting your school](#).

### **Step 3: Choose a Summer Rising site for your child**

- You can apply once per student, and when you click "submit," your registration is final. Please double-check your responses to ensure accuracy.
- If you have another child, click: "Add Another Student" to repeat the process.

**After you enroll**, you will receive an email confirming your child's Summer Rising seat, with a link to a CBO form you will need to complete before the first day of programming. Your CBO program staff will reach out to support you in completing and collecting these forms.
