

The background is a complex abstract composition. On the left, there are swirling, organic textures in shades of deep red and maroon. On the right, there are similar textures in shades of blue and teal. Overlaid on these textures is a dark, almost black, geometric wireframe structure that resembles a complex polyhedron or a network of interconnected lines. The text "THE HEART OF THE MATTER" is centered over this composition in a bold, white, sans-serif font.

Heart Of The Matter:

Heart of the Matter Emily Giffin, 2010-05-06 A powerful provocative novel about marriage and motherhood love and forgiveness from a modern day Jane Austen Vanity Fair Giffin beautifully shows how quickly need becomes love and her chronicle of fluid almost casual marital disconnect is a powerful cautionary tale Boston Globe Tessa Russo is the mother of two young children and the wife of a renowned pediatric surgeon Despite her own mother's warnings Tessa has recently given up her career to focus on her family and the pursuit of domestic happiness From the outside she seems destined to live a charmed life Valerie Anderson is an attorney and single mother to six year old Charlie a boy who has never known his father After too many disappointments she has given up on romance and even to some degree friendships believing that it is always safer not to expect too much Although both women live in the same Boston suburb the two have relatively little in common aside from a fierce love for their children But one night a tragic accident causes their lives to converge in ways no one could have imagined In alternating pitch perfect points of view Emily Giffin's *Heart of the Matter* creates a moving luminous story of good people caught in untenable circumstances Each being tested in ways they never thought possible Each questioning everything they once believed And each ultimately discovering what truly matters most With realistic dialogue and a sharp depiction of relationships Giffin crafts an emotional effortless read [More](#) [The Heart of the Matter](#)

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
