## Hearts Are Wild:

Wild Promises Lea Coll,2025-02-11 It takes more than wild promises to get to happily ever after Especially for us I thought my best friend forgot about the marriage pact we made when we were kids She didn't See Tori needs to prove to her dad that she's committed to staying in our small town and taking over his medical practice What better way to do that than getting hitched here It would benefit me too After all proving to my brothers that I was committed to running the family business had become a struggle So I agreed to a fake engagement of sorts And now I'm in trouble Big trouble Because being with her like this It's made me long to turn our fake relationship into a real one Tori is smart Driven Distractingly hot She's perfect There's really only one thing keeping us apart Too bad that one thing is me and the fact that I'll never be good enough for her Wild Promises book 4 in the Wilde Brothers series a spicy friends to lovers fake relationship contemporary romance that can be read as a standalone Download today and welcome to the family

**Wild Dreams** Lea Coll,2024-12-10 Sometimes it's the wild dreams that are the most worth fighting for I've known Marigold for years But I never saw her as anything other than my sister's best friend and the world's sweetest librarian Until now Asking her to help me form a men's book club forced me to realize how sexy she is How sunny How much I want her Not that it matters Being our small town's sheriff doesn't leave room for attachments of the happily ever after variety So engaging in a hot holiday fling with her would be an epically bad idea But I did it anyway Now the more time I spend with her the harder it gets to remember all the reasons why we shouldn't be together Soon I'll need to walk away I know I'm not the kind of guy she deserves No matter how much she makes me wish I was Wild Dreams is a spicy grumpy sunshine forbidden contemporary romance Download today and get ready for a wild ride

**Wild Nights** Lea Coll,2025-01-14 Wild nights and hot flings are all fun and games until someone falls in love Single dads don't get to have many things to themselves Which is why I greedily hoarded my um adult time with the sexy as sin tourist who stayed at my family's ski lodge whenever she was in town I didn't even tell her about my son And that was fine Who had time for romance anyway Certainly not me Then we got snowed in together right before Christmas and everything changed Spending time with Carolina in forced proximity made me realize just how amazing she is How perfectly we fit together How much I want to keep her here after the snow melts But she has a life of her own far from my small town I can't ask her to give that up for a readymade family My only question now is how I'll be able to go back to my real life when she leaves and takes my heart with her
