#### **McMaster Journal of Theology and Ministry:**

**Volume 11** Wendy Porter, 2010-11-15

The McMaster Journal of Theology and Ministry is an electronic and print journal that seeks to provide pastors, educators, and interested lay persons with the fruits of theological, biblical, and professional studies in an accessible form. Published by McMaster Divinity College in Hamilton, Ontario, it continues the heritage of scholarly inquiry and theological dialogue represented by the College's previous print publications, the Theological Bulletin, Theodolite, and the McMaster Journal of Theology.

**God's Gifts for the Christian Life — Part 1** J. Alexander Rutherford, 2021-11-05

How are Christians to think about the intellectual tasks that make up everyday life in the modern world? It is clear we are not to do so as the world does, but what does it look like to engage Christianly in our thinking? In the first part of the series, God's Gifts for the Christian Life, J. Alexander Rutherford shows how the Bible equips us to confidently engage in the interpretation of and engagement with the Word of God and the world he has created. In God's rich mercy, he has enabled us to know him, his word, and his world. In a world where it is preposterous and arrogant to claim to know anything, certainly we are in

desperate need of renewed foundations In God's Gifts for the Christian Life see some of the ways that God through his limitless power has made available to us everything necessary for life and godliness 2 Peter 1:3    [Quality Research Papers](#) Nancy Jean Vyhmeister, Terry Dwain Robertson, 2020-05-19 This will be the fourth edition of a time tested resource for students writing papers in the fields of religion and theology. It provides essential guidance for writing assignments typical in graduate programs in religion and has served as a standard textbook for seminary research courses. The fourth edition is updated to include information on Turabian 9th edition SBL Handbook 2nd edition new resource lists and additional help with online resources and formatting issues. Most importantly this new edition is revised from the perspective of information abundance rather than information scarcity. Today's research mindset has shifted from find anything and be satisfied with anything to choose intentionally reliable and credible sources. Quality Research Papers will guide students through an overabundance of online and library resources and help them craft excellent essays    *Women, Leadership, and the Bible* Natalie R. Wilson Eastman, 2014-05-16 What do you believe about women's roles in church leadership? Should women lead groups that include men? Should women preach? Should women be ordained? More importantly, why do you believe what you believe? Plenty of books exist telling women what to think; precious few help women think for themselves, particularly about theological issues. *Women Leadership and the Bible* helps women learn to interpret the Bible and discern for themselves answers to their questions about women's roles in the church along with any other issue they may face in life. In straightforward plain language, Dr. Natalie Eastman introduces women to a five step easy to follow process for studying the Bible and interpreting what they study. NOTE to designer: if there is not enough space on the back cover then cut the following section in *italics*. This book encourages women that they can think for themselves and can analyze significant theological issues despite any hesitations they may have, any conflict surrounding an issue or any lack of theological training. By the time readers finish this book, they will have a biblically defendable, theologically reasoned and thoroughly discerned understanding of what they believe. Scripture says about women's roles and how that understanding could play out within the church. No longer will they feel as though they have nothing to contribute when the subject of women's roles or any other of life's theological questions arises    [The Gift of Reading — Part 1](#) J. Alexander Rutherford, 2019-09-30 If the Word of God is our anchor in the chaos of this world, if it is our assurance that we can know the world and God its creator, we need confidence that we can understand this Word. Reading and applying the Bible is essential to every facet of Christian life and ministry; yet our ability to do so is under attack from a myriad of directions. In Postmodern philosophy, the possibility of communication is dismissed, let alone communication from God. In Biblical studies, the amount of knowledge required to come to firm conclusions concerning the meaning and application of the Bible grows every day. However, the Bible is not so pessimistic about its accessibility. Instead, it presents itself as a clear word sufficient to guide and encourage Christians in every area of life. Beginning with the Bible's own claims to clarity and sufficiency, *The Gift of Reading Part 1* outlines the

practice of reading the Bible in order to understand and apply it The Gift of Reading Part 2 will go further into the theory that lies beneath the methodology unpacked in Part 1    **Thoughtful Proclaimer** Elizabeth Wright Anderson,2017-10-23

Thoughtful Proclaimer takes you from passage choice to proclamation This book walks with you through message preparation that transforms both your heart and the hearts of your congregation or class Aimed at those who proclaim the Word of God in a variety of church and parachurch settings the Thoughtful Proclaimer method uses a contemplative question based technique to determine the Commanders intent Gods purpose for every passage of scripture Gods intent for a passage becomes the point for proclamation of a redemptive and relevant message Anderson uses humor and story to teach good communication techniques so that every message brings lasting transformation to your listeners    **Greek and Hebrew for the Rest of Us Pack** William D.
