**The Living Church**, 1917 **Sartre and Psychoanalysis** Betty Cannon, 1991 Betty Cannon is the first to explore the implications of Sartrean philosophy for the Freudian psychoanalytic tradition Drawing upon Sartre's work as well as her own experiences as a practicing therapist she shows that Sartre was a fellow traveler who appreciated Freud's psychoanalytic

achievements but rebelled against the determinism of his metatheory The mind Sartre argued cannot be reduced to a collection of drives and structures nor is it enslaved to its past as Freud's work suggested Sartre advocated an existentialist psychoanalysis based on human freedom and the self's ability to reshape its own meaning and value Through the Sartrean approach Cannon offers a resolution to the crisis in psychoanalytic metatheory created by the current emphasis on relational needs By comparing Sartre with Freud and influential post-Freudians like Melanie Klein Otto Kernberg Margaret Mahler D W Winnicott Heinz Kohut Harry Stack Sullivan and Jacques Lacan she demonstrates why the Sartrean model transcends the limitations of traditional Freudian metatheory In the process she adds a new dimension to our understanding of Sartre and his place in twentieth century philosophy

**The Devil on Screen** Charles P. Mitchell, 2002 The Devil has been represented in many film genres including horror comedy the musical fantasy satire drama and the religious epic and in these works has assumed many shapes and forms This work explores in detail feature films from the year 1913 through the year 2000 that depict the Devil It begins with an overview that discusses how the devil has been portrayed on stage how that portrayal carried over to the big screen and what are the standard elements of a satanic plot Each entry in the filmography includes such particulars as the year of production running time and the names of the writer editor cinematographer producer and director An evaluative rating annotated cast list plot synopsis and film appraisal are also provided for each film as well as a spotlight on the performance of the actor playing the

role of Satan     The Adjuster ,1918     The People's Bible: Acts I Joseph D. Parker,1887     Slouching Towards Gomorrah  
Robert H. Bork,2010-11-16 In this New York Times bestselling book Robert H Bork our country s most distinguished  
conservative scholar offers a prophetic and unprecedented view of a culture in decline a nation in such serious moral trouble  
that its very foundation is crumbling a nation that slouches not towards the Bethlehem envisioned by the poet Yeats in 1919  
but towards Gomorrah Slouching Towards Gomorrah is a penetrating devastatingly insightful expos of a country in crisis at  
the end of the millennium where the rise of modern liberalism which stresses the dual forces of radical egalitarianism the  
equality of outcomes rather than opportunities and radical individualism the drastic reduction of limits to personal  
gratification has undermined our culture our intellect and our morality In a new Afterword the author highlights recent  
disturbing trends in our laws and society with special attention to matters of sex and censorship race relations and the  
relentless erosion of American moral values The alarm he sounds is more sobering than ever we can accept our fate and try  
to insulate ourselves from the effects of a degenerating culture or we can choose to halt the beast to oppose modern  
liberalism in every arena The will to resist he warns remains our only hope     Computer Gaming World ,2004

**Maximum Rocknroll** ,2002     Much Ado About Keanu Sezin Devi Koehler,2025-04-29 Thanks to his prolific movie  
career seventy eight movies and counting and endearing real life persona Keanu Reeves has become the universal screen  
saver of pop culture nobody can go a few days without some reference to Keanu or his movies popping up But Reeves is  
much more than box office receipts and internet memes and Much Ado About Keanu provides the in depth look at his art  
identity and ethnicity that this oft misunderstood cultural icon deserves Despite the sometimes mocking estimations of his  
acting skills and his seven Razzie nominations Keanu Reeves is one of the most thoughtful and talented performers of his  
generation and during his forty year career he has made huge strides for Asian and Indigenous representation in spite of his  
identity often being whitewashed Pop culture sociologist and Reeves devotee Sezin Devi Koehler explores all of this  
presenting insightful essays that critically examine Reeves s creative output from an interdisciplinary and intersectional  
perspective Those who code Reeves as white miss how his multiracial identity informs so many of his mainstream films often  
subverting their most straightforward themes Criticisms of his acting overlook the popularity and the reach of his work  
Koehler s essays challenge how audiences engage with Keanu s movies highlighting the importance of Keanu as a  
multitalented artist and trailblazer not only for racial representation but for intersectional queer and feminist readings of  
cinema as well Much Ado About Keanu connects existing media studies around various themes in Reeves s films particularly  
Asian and Indigenous representation gender studies philosophy technology and sexuality studies in a Critical Reeves Theory  
sure to engage not just fans but all of us who live in Keanu s world     **The Classical Review** ,1984     **The Best Stage
