How To Wake Up:

How to Wake Up Toni Bernhard, 2013-08-19 Intimately and without jargon *How to Wake Up A Buddhist Inspired Guide to Navigating Joy and Sorrow* describes the path to peace amid all of life's ups and downs. Using step by step instructions the author illustrates how to be fully present in the moment without clinging to joy or resisting sorrow. This opens the door to a kind of wellness that goes beyond circumstances. Actively engaging life as it is in this fashion holds the potential for awakening to a peace and well being that are not dependent on whether a particular experience is joyful or sorrowful. This is a practical book containing dozens of exercises and practices all of which are illustrated with easy to relate to personal stories from the author's experience.

Liturgy on the Edge Samuel Wells, 2016-06-17 This practical companion to creating pastoral liturgies arises from the vibrant ministry of St Martin in the Fields and is designed to aid local ministry teams in devising forms of worship outside and beyond the scope of authorised church liturgy yet in sympathy with its purposes and structures. It includes outline liturgies for regular pastoral services such as an informal Eucharist worship for small groups or for a church away day, a dementia friendly service, a healing service, interfaith ceremonies, acute pastoral needs such as services for communities affected by local tragedy, those experiencing loss through violence, outreach services in the open air or welcoming people into sacred space, special services though the year for Homelessness Sunday, Prisoners Week, Holy Week, Harvest Remembrance, a community carol service and more. Each section is introduced with a reflection on theory and practice and each item has a commentary on theological, liturgical and pastoral choices made with the aim of enabling practitioners to adapt and create liturgies for their own contexts.
