

## Year 2 Writing Checklist

These checklists link to the EYF 2016 National Curriculum for writing. They are split into:

- Working Towards the Expected Standard
- Working at the Expected Standard
- Working at Greater Depth within the Expected Standard

All of the statements are progressive within and across the year so that the majority of pupils will be working on their own year goals.

### How to Use the Checklists

The grids can be used to track the attainment of individual pupils to highlight the progress of groups of students who are focusing writing targets.

To judge that a pupil is working at a standard in English, track progress throughout the school year which demonstrates that they are within that standard.
