*The Publishers Weekly*, 1994 *My Sicilian Legacy* Richard F. Cavallaro, 2008 The lives of Angelo Cavallaro and Angela Gravagna are entwined in a backdrop set in the coastal areas of the Province of Catania Sicily and moves onto the northern hillsides of the active volcano Mount Etna They are traced from their early childhoods where they lived as peasants during the reconstruction of Italy and Sicily through their immigration to America The journey of Angelo Angela and their six children begins in the tiny village of Passopisciaro and continues as they travel to Palermo in 1913 to board a ship and sail across the Atlantic Ocean You share and experience their fears as they pass through Ellis Island and their joys of eventually arriving to their new home in Rochester New York In this sensitive memoir the author attempts to do what most Italians only dream of to piece together all the stories parents have retold their children over the generations from their struggles and humble beginnings to the joys they shared with their extended families in later years In chapters that examine individual members of his family and highlights their life achievements the reader gains a better

understanding of the unique characteristics that all immigrants have in common The memories recorded are a tribute to the legacy they left lessons about life responsibility self respect and love of family It is written with gratitude to all immigrants our ancestral grandfathers and grandmothers mothers and fathers aunts and uncles These were the risk takers and pioneers who were willing to sacrifice personal comfort in order to provide a better life for their families in an unknown world A narrative that honors our link to the past through the memories they left behind My Sicilian Legacy is a chronicle focusing on the importance of family life and the pride in maintaining ethnic roots It is a description of how the ordinary events that shape and mold character thinking aspirations and joys can be achieved through hard work and perseverance the early immigrants gave of themselves so their children would attain a better lifestyle Richard Cavallaro traces his own ancestral history to this area of Sicily and paints a vivid picture of the events that occurred through three generations which eventually led to the creation of My Sicilian Legacy a tribute that many Italians and Sicilians will share with pride *Best Books for*

Explore Our Land : Grade 4 Sarah Bednarz, 1997 Doing History Linda S. Levstik, Keith C. Barton, 1997 Imagine a group of primary students debating whether Christopher Columbus should be considered a hero or eighth graders producing a video to examine whether a historic document the Bill of Rights speaks to current issues Imagine classrooms where students regularly and actively do history frame questions gather data from primary and secondary sources organize and interpret that data and share their work with different audiences Imagine too a history curriculum that reflects the rich diversity of people in the United States and around the world The authors have spent a number of years working with teachers in just such classrooms They have seen powerful historical study in classes where many of the children were recent immigrants as well as in classes where children s families have lived in the same area for nearly two hundred years Some classes are full inclusion programs where the special education and regular teachers team teach most include students with special needs at least for social studies The classrooms range from urban and suburban to rural settings But despite their differences these communities of inquiry have several things in common In each one even the youngest children describe historical study as interesting and important Moreover historical study in each of these classrooms deals with important historical content and engages students in authentic historical inquiry All students are invited to be historical participants Throughout the book the authors draw on these classrooms to provide models of instructionally sound thoughtful and thought provoking history teaching with students from a wide variety of backgrounds Most chapters also begin with a vignette from one of these classrooms These vignettes serve as snapshots of history in action including some of the obstacles even good

teachers face Each is a glimpse of a particular experience of teaching and learning history The chapters put each vignette in perspective explaining why it is sound instruction and sound history and providing examples of activities ranging from the first years of primary school through the end of the middle grades In structuring the book this way the authors suggest a framework for rethinking history instruction at the elementary and middle school levels Their goal is to stimulate readers thinking relative to applying the ideas presented here to their own classrooms and students Letters from Rifka by Karen Hesse Jean Jamieson,2000 **Scholastic Literacy Place** ,2000 Theme related classic and contemporary fiction and nonfiction trade books leveled as easy average or challenging *New York Times Saturday Book Review Supplement* ,1993-04 *The New Advocate* ,2003
