Macmillan 3rd Grade Math Guide:

Mathematics Teacher Resource Handbook ,1993

Curriculum Series Ontario Institute for Studies in Education,1972

Teacher and Student Evaluation Alyson Leah Lavigne,Thomas L. Good,2013-09-05 Following the recent major school reform of Race to the Top schools teachers and students are increasingly evaluated through high stakes achievement test scores In six concise chapters Teacher and Student Evaluation explores the historical rise and modern landscape of accountability in American education and the current models of teacher evaluation The authors provide realistic and useful suggestions for responding to current accountability demands The authors explore the methodological concerns and policy implications of using value added and observational measures to make high stakes decisions After reaching the conclusion that these contemporary evaluation practices are flawed Alyson Lavigne and Thomas Good offer possible solutions that inform current and future teacher evaluation This book is a valuable resource for students of educational assessment as well as policy makers administrators and teachers who are currently building accountability plans The book is written in an accessible but authoritative fashion that practitioners policymakers and scholars will find useful
