Grace Based Parenting Book:

Grace-Based Parenting Tim Kimmel, 2005-05-15 Discover a parenting style that nurtures a healthy family and displaces fear as a motivator for behavior. Learn how to meet your child's three driving inner needs for security, significance, and strength with the invaluable gifts of love, purpose, and hope. Modern parents are stressed out and tired. They've tried countless parenting books on the market, many of which are harsh fear-based books that loving parents instinctively reject. As Christians, we frequently believe that the battle for a child's heart and soul is fought on the outside with rigid rules and boundaries, when in fact the opposite is true. Dr. Tim Kimmel, founder of Family Matters ministries, offers a timeless look at parenting. Rejecting rigidity and checklists that don't work, Dr. Kimmel recommends a parenting style that is the opposite, emphasizing the importance of communicating the unconditional love that Christ offers and affirming this timeless message of grace to one's family. In Grace-Based Parenting, you'll learn a parenting style that mirrors God's love, reflects His forgiveness, and displaces fear as a motivator. Why fear-based parenting is a guaranteed method to set children up for failure. How to provide a safe space for children to develop into functional adults with purpose, security, and inner strength. As we embrace the grace God offers, we begin to give it, creating a solid foundation for growing morally strong and spiritually motivated children. This revolutionary book presents a whole new way to nurture your family.

Grace-Based Parenting Workbook Tim Kimmel, 2006-01-10 Based on the trade parenting handbook for a new generation of Christian parents endorsed by Max Lucado. Parents in our post-modern world tend to be committed to, but anxious about their child-rearing responsibilities. They have countless parenting books on the market telling moms and dads what to do and how to do it. Many of these are rigid fear-based books that leave a large number of parents feeling directionless. Dr. Tim Kimmel, founder of Family Matters ministries, offered a fresh and exciting solution with his best-selling *The Grace-Based Parenting*. And now, these innovative and grace-based solutions to navigating the rocky terrain of parenting are now available in a comprehensive workbook format. Tim recommends creating a grace-based home environment that allows children to meet their full potential. He presents a child's true needs based on Scripture and provides parents with realistic, practical ways to meet them. The result: spiritually strong children who grow up with a sense of calm and a heart full of purpose and confidence. Parents will eagerly welcome the *Grace-Based Parenting Workbook*.

Grace-Based Discipline Karis Kimmel Murray, 2016-12-19 Grace-Based Discipline helps parents learn to handle difficult behavior and discipline problems with their children within the context of a biblical grace-based home. But in the trenches of everyday life, that's easier said than done. This book provides a doable framework that decodes the mysteries of disciplining your kids with grace and will help restore hope, freedom, and peace in your home. Christian Parenting Gardiner Spring,2014-12-30 Be what you wish your child to be the saying goes So much is accomplished by the power of example It influences children long before instruction can inform or authority can bind Rules constrain example is alluring Rules compel example persuades Rules are a dead law example a living law Next to the law of conscience example is the first law with which children are acquainted and it often remains their strongest motive to action after all others are forgotten Children are imitative beings and they quickly understand what they see and hear The example of an affectionate and watchful parent is a powerful influence No child is too young to be the accurate observer of its parent's conduct and to be purified or contaminated by that example However unwittingly we are constantly molding our children's minds habit and character by the power of our example Who among us desires for our children to be unyielding overbearing contemptuous unkind unfriendly or discourteous But if they discover these in us our example will govern their conduct Perhaps most to the point in this very affluent society we do not want our children to be afraid of work or hardship so why do we ourselves pursue fashion and leisure The message quickly forms in their minds My parents do not consider hard work or diligence or redeeming the time to be reputable or pleasurable They are satisfied with an easy life With such a message is it likely that our children will aspire to hard work usefulness and accomplishment We want our children to be honorable and completely truthful We want them to be punctual and thorough But if they hear us extolling these virtues and know that instead we bend the truth and are disorganized and careless will not our conduct trump our teaching
