Examiners of Long Term Care  
Administrators (U.S.)**

## **Nab Study Guide Assisted Living:**

**NAB Study Guide** ,1997-01-01    **Managing the Long-Term Care Facility** Rebecca M. Perley,2016-02-02 Practical approaches to the operation of long term care facilities Managing the Long Term Care Facility provides a comprehensive introduction to the growing field of long term care Taking a continuum of care approach the text covers every aspect of long term care Readers will develop a robust knowledge of the issues faced by people experiencing physical and or mental changes Topics covered include the biological and psychosocial implications of ageing marketing long term care facility operations and information technology for health care among many others By integrating all aspects of long term care the book is an invaluable resource that will aid students and professionals in preparing for career advancement and licensure exams The book is also is designed to help students prepare for the National Nursing Home Administrator exam Pedagogical elements help guide readers through the content and summaries and discussion questions to drive home lessons learned Builds expert knowledge of all aspects of long term care management including operations human resources patient advocacy and information systems Emphasizes the latest understandings of the long term care continuum and patient centered care for diverse populations Delivers practical approaches to providing quality care to individuals and making a positive impact on community wellbeing Prepares readers for and National Nursing Home Administrator s licensure exam Managing the Long Term Care Facility Practical Approaches to Providing Quality Care provides real world guidance for students in healthcare administration health and human services gerontology nursing business and medical programs in both domestic and international markets Nursing home administrators administrators in training and preceptors will find this book an effective training tool in the nursing facility setting

**Principles of Long-term Health Care Administration** Peter J. Buttaro,1999 With this book the author offers information about the core principles of long term care administration The purpose is to explain basic concepts and information essential to long term care administration The training materials are to be used by long term care administrators Areas associated with long term management are covered such as regulations finance staffing personnel and medical care This book is written in an easy to follow format and is referenced well for the original regulatory sources Principles of management including personnel management theories of management and finance are very well covered The chapter on medical care in the nursing home is very dated but since the intended audience of the book would not be responsible for medical management this may not be of great consequence This is a basic review of principles relative to long term care The format is easy to follow and this would be a useful reference text or review text for those in long term care administration

**The Health Services Executive (HSE)** Keith R. Knapp,Douglas M. Olson,2020-10-28 Note to Readers Publisher does not guarantee quality or access to any included digital components if book is purchased through a third party seller The Health Services Executive HSETM Tools for Leading Long Term Care and Senior Living Organizations serves as a contemporary and comprehensive resource that addresses each of the core

professional domains of practice and leadership essentials for long term care administration students and professionals With sections dedicated to postacute care settings operations leadership and management this textbook covers information pertinent to the spectrum of senior living service lines from inpatient rehab facilities long term acute care hospitals nursing homes assisted living and residential care communities to home and community based services It is a practical reference for both undergraduate and graduate students preparing to enter the field of long term care administration and leadership as well as for professionals transitioning to another line of postacute service The textbook begins with a thorough history of the field including the development of senior services in the United States Section I then describes the components of customer care supports and services before transitioning into Section II which addresses operations including the core practice domains of effectively managing human resources finances and the environment Section III offers a framework for leadership covering strategic thinking and innovation marketing and public relations critical thinking and operation practice customer service and personal development Case problems discussion questions leadership roles high impact practices key points and National Association of Long Term Care Administrator Boards NAB domain competencies conclude each chapter Written by two highly experienced long term care administrators this textbook is intended for those preparing for the examinations administered by the NAB for the HSETM qualification or licensure for individual lines of service such as for Nursing Home Administration NHA Residential Care and Assisted Living RC AL and Home and Community Based Services HCBS Key Features Provides best practices for leadership and management across the continuum of long term care and senior living services Covers all five NAB professional practice domains Customer Care Supports and Services Human Resources Finance Environment and Leadership and Management Includes case problems discussion questions and more to foster critical thinking and decision making skills Offers coverage of the most unique differences among service lines that are part of the HSETM initiative Weaves insightful quotes from industry leaders throughout chapters for practical tips and words of wisdom

**Assisted Living Administration** James Elmore Allen, 1999 Assisted living facilities serve a fast growing segment of the care market elders no longer able to live independently but who do not need 24 hour nursing care In this text James Allen explores domains of practice that include organizational management human resources business and financial considerations environment and facilities and resident care for the LTC facility Allen offers the student of health administration and administrators in training a direct approach to certification success To the seasoned professional this is a resource that will serve a range of careers in long term care Assisted Living Administration and Management Review Darlene Yee-Melichar, Cristina Flores, Andrea Renwanz Boyle, 2021-11-23 This book is a must have resource for anyone preparing for RC AL licensure The book provides both regulatory and day to day operational questions that will allow current and future leaders in long term care and assisted living to be successful senior leaders in the senior care field Doody's Review Service 3 stars Contains more than 300 practice questions and answers Assisted Living Administration and Management Review is the
