PRELUDE Two souls with but a single thought two hearts that beat as one John Keats Finding true love is priceless For many living a lifetime falling more in love with the one you love is only a dream Can you put a price tag on finding the one who loves you heart soul solely for your heart There s no monetary equivalent to finding the Love of your Life Wouldn t it be great if you had someone versed in the ways of love to help find your One and Only That s what hundreds of men and women do on the hit reality TV show The Millionaire Matchmaker For tens of thousands of dollars millionaire bachelors hire Patti Stanger the Millionaire Matchmaker to help them find the only thing they haven t acquired their True Love Patti has a massive index of the most eligible men and women in Southern California and boasts of having a 98% match success rate Watch out e harmony If we all had a matchmaker this successful to help us find Mr or Miss Right and avoid Mr or Miss Wrong it might make some of us feel a little better about our chances of finding our true love Though Patti s operation is impressive wouldn t it be great to have a matchmaker who had an even bigger Rolodex than her Let s say someone who had access to the most eligible individuals across the country or for you international types across the world You might even feel better about your chances of finding your soul mate if this matchmaker was a personal family friend had watched you grow up knew pretty much everything about you and had offered their matchmaking services when ever you were in need of them I think many of us would I hope it won t come as a surprise

when I tell you that I employed someone much like this to help me find Casey the absolute Love of my Life Without hesitation I can say that the time training and money I invested totally paid off Like my matchmaker told me you can't put a price tag on finding everlasting love If you're single you might be thinking you would be interested in getting his business card Even if you're not in the market right now it might be good to have his contact info for some other time I promise if you've seen the film Hitch He's the real life Alex Hitchens only better He's incredibly smooth a true Love Doctor He's helped even the most romantically challenged individuals find their way down love's occasionally bumpy path His staff services a 24 hour a day help line He has a global database and connections everywhere He is the world's foremost expert on love and a divine matchmaker I relied upon his advice every step of the way and now I am hopelessly in love with the woman of my dreams He led me into a romance with the right person at the right time and for that I am forever appreciative Surprisingly most people have heard of my matchmaker but had no idea that he was so proficient in the art You may be asking who this love guru is His name is God While many lovers often believe they are truly a match made in heaven few would go as far as to say that God himself was their Matchmaker I think this may be an expertise of his that many grossly under acknowledged today but is clearly attributed to God throughout the Scripture Abraham was a believer in God's keen matchmaking ability This is undeniable just look at the instruction he gives to his servant sent to pick up a wife for his son Isaac He says God will send his angel ahead of you to get a wife for my son Gen 24 7 Now if you've heard this story before you might gloss over this verse and continue with the story But if you stop and really think about what Abraham is saying it is a bit bizarre I've never heard anyone talk like this I've never heard a pastor preach on this Actually if anyone did say to me that God's angel was going to pick out my spouse I would probably recommend an excellent twelve step program I know of For most of us the idea of winged angelic beings making people fall in love isn't totally a foreign concept but we just expect to find this type of thing on Valentine's cards or in Greek Mythology not in the Bible So either Abraham was in need of some serious rehabilitation or maybe the person whom God called his good friend was on to something Is 41 8 The man sent to get Isaac's unknown bride also believed God was a matchmaker Abraham had instructed him to get a wife from his hometown Nahor The servant came to a spring outside the city where all the young ladies came to get water He prayed that God would reveal the young lady to him by a specific sign He would know it was her if when he asked for a drink of water and she would not only give him a drink but also offer to water all ten of his camels an act that would take hours of labor to accomplish When this happened he would take it as a sign that God was working graciously behind the scenes Gen 24 14 The servant knew God was working behind the scenes the Matchmaker was on the move but asked for God's help to uncover who that person was As soon as the servant finished his prayer he saw God begin to work A stunningly beautiful girl came with her jug to draw water from the spring Gen 24 16 Her name was Rebekah The servant asked her for a drink and she obliged him and then proceeded for the next few hours to water all of his camels until they had drunk their fill Gen 24 19 The servant silently watched her wondering

Was this God's answer? Had God made his trip a success or not? After she was done, the servant gave her five very expensive pieces of jewelry. Can you imagine Rebekah's shock? Her dinnertime spent serving at the well was rewarded with breakfast at Tiffany's. The Bible says she ran back home to tell her parents and if her neighborhood was as rough as mine growing up, I would have run too if I was carrying that much bling. The servant came to Rebekah's house and discovered it was the very family Abraham desired his son's wife to come from. He told them about the sign he had asked God for. How Rebekah fulfilled it by watering his ten camels. How he prayed, "Let that woman be the wife God has picked out for my master's son," and God worked behind the scenes to help him find the perfect match for Isaac. The family agreed and replied, "This is totally from God. We have no say in the matter, either yes or no." Gen 24:50. The next morning, the family asked the servant to let Rebekah stay a little while longer, but the servant said, "Oh, don't make me wait. God has worked out everything so well, send me off to my master." Gen 24:56. Emphasis added. Rebekah's family asked her, "Do you want to go with this man?" Gen 24:56. Rebekah replied, "I'm ready to go." Gen 24:58. When Isaac met her, he fell completely in love. Rebekah had a ravishingly beautiful exterior, but her interior must have been just as captivating to Isaac because he let her wholly into his heart. Though there is not a lot of description of their early years together, we do know that after she came into his life, something shifted in his soul. His heart became healthier. His life became richer. We know that at least one of the deepest wounds in Isaac's heart was healed through their union. Through Rebekah, Isaac's heart finally found comfort after his mother's death. Gen 24:67. They were truly a match made in heaven. If God is a matchmaker and knows everything about you and everything about everyone, wouldn't he know who your perfect match is? If he's truly working behind the scenes, trying to match you up with the right person, wouldn't it make sense to ask God for help uncovering who that person is? It worked out well for Abraham's servant and ultimately for Isaac and Rebekah. It might just work out well for you too. God's divine handiwork has united many hearts with their True Love. This can be observed all throughout Scripture and attested to by many who have followed his matchmaking advice. Today I followed his matchmaking advice and it worked out wonderfully for me. He brought me to my true love, Casey, and I could never adequately express my gratitude to him for this. In the pages ahead, we'll look at a few Biblical examples of the Divine Matchmaker at work, but mostly Casey and I will share about our experience working with him as he divinely orchestrated our love story. We'll share some of his time-tested tips, secrets, and wisdom so if you decide to use his services, you'll know how he works and be a little ahead of the game. We really hope you'll use him. There's no one who's been at it longer or is better at it than he. However, if you do choose to go with him, you must remember though his principles on love are timeless, he never brings two hearts together the same way. Here's to your match made in heaven. We hope you'll send us a wedding invitation.
