

## THE CAKE DISASTER

Name: \_\_\_\_\_

It was George's 8th birthday and he was so excited for his big party. They had spent a whole week preparing the decorations and creating invitations. His Mother had spent all morning baking an enormous chocolate cake and it looked absolutely delicious. All his friends started arriving and everyone was playing happily outside in the backyard. The clown was standing in front of the cake making balloon animals for all the children, when disaster struck! Suddenly one of the balloons burst, with a loud BANG! The noise startled George's dog, Lenny, who leapt into the air, and bolted straight for the cake. It was like a hippopotamus jumping into a muddy river! Brown chocolate cake flew all over the place, completely covering all the guests. Everyone went silent. No one knew what to say or do. Suddenly a giggle sounded from the group. Then another and another. Before long the entire party was completely in stitches, laughing and laughing! They spent the rest of the afternoon licking the chocolate mixture off their clothing and laughing. About the time the dog jumped on the birthday cake!
