We are living in a trans moment that has become the next civil rights frontier. By unfixing our notions of gender, sex and sexual identity, challenging normativity and essentialisms, trans modalities of embodiment can help reorient psychoanalytic practice. This book addresses sexual identity and sexuality by articulating new ideas on the complex relationship of the body to the psyche, the precariousness of gender, the instability of the male-female opposition, identity construction, uncertainties about sexual choice, in short the conundrum of sexual difference. *Transgender Psychoanalysis* features explications of Lacanian psychoanalysis along with considerations on sex and gender in the form of clinical vignettes from Patricia Gherovici's practice as a psychoanalyst. The book engages with popular culture and psychoanalytic literature including Jacques Lacan's treatments of two transgender patients and implements close readings uncovering a new ethics of sexual difference. These explorations have important implications not just for clinicians in psychoanalysis and mental health practitioners but also for transgender theorists and activists, transgender people and professionals in the trans field. *Transgender Psychoanalysis* promises to enrich ongoing discourses on gender, sexuality and identity.

The rise of these secular gods presents the most serious challenge to the absolute claims of Christ since the founding of Christianity itself. The Christian worldview has not only been devalued and dismissed by modern culture but its believers are openly ridiculed as irrelevant. In *Jesus Among Secular Gods* Ravi Zacharias and Vince Vitale challenge the popular isms of the day, skillfully pointing out the fallacies in their claims and presenting compelling evidence for revealed absolute truth as found in Jesus. This book is fresh, insightful and important and faces head on today's most urgent challenges to Christian faith. It will help seekers to explore the claims of Christ and will provide Christians with the knowledge to articulate why they believe that Jesus stands tall above all other gods. **InTech**, 1997-07 **Break the mental health stigma: Mental health in the workplace** Eduardo Fernández-Jiménez, Daniela Acquadro Maran, Shaun Chen, 2024-05-29 **Yearbook of International Organizations 2014-2015 (Volume 4)** Union Of International Associations, Union of International Associations, 2014-09-17
