*Flaming Hearts* Susan Stoker, 2016-06-20 Becky is on a reality show in Arizona but instead of having the single men compete with each other for her affections she has to compete with another woman for theirs. While on a disastrous double date for the show Becky meets a wonder man too bad she's not allowed to talk to him. Dean finds the one woman he knows is meant to be his but there's a problem: she's a contestant on a reality show. Working with his brother who just happens to be a cameraman on the show, they put together a scheme to get Dean access to the set. Now all he has to do is convince Becky to choose him. Their relationship blossoms but when trouble arises, Becky has to decide if she can trust Dean enough to help her or if she's better off alone. Dean would do anything for the woman he loves but first he has to find her. **The Nation**, 1913

*Shielding Aspen: A Special Forces Military Romantic Suspense* Susan Stoker, 2020-10-18 An impulsive kiss, a jealous ex, and her future in the balance. He might be exactly what she needs. Desperate to ditch her ex once and for all when Aspen Mesmer asks a complete stranger to kiss her, she never expects to feel an immediate connection. Despite already dealing with one soldier, she can't shake Aspen; he would be a fool to ignore the intense chemistry she shares with the Delta Force operative. Even better, he shows her the respect few others offer in her male-dominated profession. It's clear she'll never have the camaraderie she craves with her own platoon, but maybe just maybe she'll find it with Kane and his team. Kane Brain Temple isn't the kind of man most women look at twice, so when Aspen makes her interest clear after their impulsive explosive kiss, he's thrilled. As a combat medic attached to a Ranger team, Aspen is pretty impressive in her own right. She might be one of the few women who can not only handle Brain's frequent deployments but understand exactly how dangerous his missions can be. Bonus: she's not turned off by his nerdy tendencies. It's as if Aspen was made just for him. Her ex disagrees. He's not handling Aspen's rejection well, or her deepening relationship with Brain. Being thrown over for a Delta is humiliating, and he'll do anything to make her regret it. Anything. *Shielding Aspen* is the 3rd book in the Delta Team Two Series. Each book is a stand-alone with no cliffhanger endings. Read what others are saying about New York Times bestselling author Susan Stoker. Susan Stoker is the master of military romantic suspense.
