#### 1. Contact A Friend in The Industry:

Before you start your career in the industry, you should already have plenty of contacts. Remember, if someone has already taken the test, and passed, they can offer a lot of information.

#### 2. Look at State Specific Testing Information:

Different states have different testing requirements, so you should familiarize yourself with the rules of the state that you will be testing in.

#### 3. Make an Appointment:

It may sound weird to schedule your test before you start studying, but having a date scheduled will help you develop your study plan. Depending on your state, there may be dozens of testing locations, so having an appointment will let you know how long you have to study, and you can go ahead and make your travel arrangements.

#### 4. Find Practice Exams:

There are plenty of options when looking for practice exams, so you shouldn't struggle to find one that works for you. Try to find practice exams for your state and spend time testing yourself.

#### 5. Take Notes:

Once you start taking practice exams, you'll get a better understanding about the areas that you need to focus on even more. Take notes about the parts that you need some work on and focus your extra time on those topics.

#### 6. Make Flashcards:

Flashcards may remind you of studying for high school or college exams, but they're just as useful when you're prepping for your real estate exam.

#### 7. Use Blue Ink:

There are countless scientific studies that say that blue ink is better when you're trying to remember what's in your notes. According to research, blue calms the brain which helps you experience less stress when you're trying to study.

#### 8. Get Rest Before the Exam:

Again, depending on the state in which you're testing, you may have plenty of options when trying to find a testing location. Your mind will be better prepared if you get plenty of rest the night before.

*Georgia Real Estate License Exam Prep: All-in-One Review and Testing to Pass Georgia's AMP Real Estate Exam* David Cusic, Ryan Mettling, Joy Stanfill, 2016 The new 2nd Edition of Georgia Real Estate License Exam Prep has been published and is available here <https://www.amazon.com/dp/091577738X> New and improved for 2020 Features of Georgia Real Estate License Exam Prep GA RELEP National Principles Law Key Point Review 45 pages Real Estate Math Key Formula Review Practice 20 pages Georgia Specific Laws and Practices 32 pages National Practice Tests 500 questions Georgia Practice Tests 125 questions Georgia Sample Exam 100 questions We know the real estate licensing exam can be tough and very nerve wracking to prepare for That's why we created the Georgia Real Estate License Exam Prep GA RELEP the way we did Since we have been managing real estate schools and developing curriculum for forty years we know how all this works or fails to work GA RELEP is comprehensive in that it contains both key content review and testing practice And the text review is Georgia specific not just simplistic national content but terse relevant and accurate Georgia laws and regulations presented as a well organized set of state key point reviews ideal for pre test memorization But let's not dismiss the importance of the national content either GA

RELEP's national key point reviews are a succinct compression of tested national principles and practices that comprise the national portion of state license exams from coast to coast. Our content is drawn from our own national textbook, *Principles of Real Estate Practice*, one of the most widely used principles textbooks in the country. Finally, our national content as well as our question selection is further tailored to the state testing outline promulgated by AMP for Georgia. Thus, the breadth and depth of the law reviews and test questions reflect the topic emphasis of your state's testing service and your Georgia license exam. A word about the test questions: GA RELEP's testing practice section consists of ten national practice tests, three state practice tests, and one state exam sample test. The practice tests are roughly 50 questions in length and the sample test is 100 questions. The test questions are designed to cover the content covered by the law reviews, which reinforces your learning of the total body of information tested by your state exam. The questions are direct to the point and designed to test your understanding. When you have completed a given test, you can check your answers against the answer key in the appendix. You may also note that each question's answer is accompanied by a brief explanation or rationale to further reinforce your understanding. In the end, as you know, it's all up to you. Unlike other publications, we are not going to tell you that using this book will guarantee that you pass your state exam. It still takes hard work and study to pass. But we have done our best here to get you ready. Following that, the most we can do is wish you the best of success in taking and passing your Georgia real estate exam. So good luck!
