Ma I M Gettin Meself A New Mammy:

Run, Lily, Run Martha Long,2014-10-23 Lilly and Ceily Carney are only seven and twelve when their mother is cruelly taken from them leaving them at the mercy of the Church and the authorities This is a terrifying prospect in 1950s Dublin where it is likely that the girls will end up in one of Ireland s notorious Magdalen laundries a fate they are determined to escape When Father Flitters and the Cruelty people arrive to take the children into care Lilly and Ceily resist and a riot breaks out The girls are helped by kind Mister Mullins and his daughter Delia but events lead to further tragedy and Lilly is left to fend for herself on the dangerous streets Heartbroken hungry and vulnerable she looks like easy prey and it seems there will be no safe haven for her to find *Ma, I'm Gettin Meself a New Mammy* Martha Long,2008 Ostracised by the other children for being a street kid and put to back breaking work by the nuns Martha aged thirteen leads a lonely existence Despite all that she has suffered Martha retains her compassion for others and continues to hope for a brighter future when she will be free to make her own way in life *The British National Bibliography* Arthur James Wells,2009

The Mommy Chronicles Sara Ellington,Stephanie Triplett,2005-02-01 When girlfriends Stephanie Triplett and Sara Ellington realized that they were both pregnant and their babies were due just weeks apart they began e mailing each other constantly Throughout their individual journeys both women discovered many aspects of pregnancy childbirth and especially motherhood that no one ever seemed to talk about Stephanie and Sara had both read every book on these subjects they could find so why weren t they prepared for the roller coaster ride they were about to embark on Why hadn t anyone ever given them the real truth about being a Mommy before *The Mommy Chronicles* is a warm candid and sometimes irreverent view into the lives and emotions of these two new mothers In intimate and often hilarious detail the authors share their own diverse and universal experiences as they progress from being pregnant to being parents Listen in on their conversations as they laugh cry rage and celebrate Labor and delivery postpartum depression career choices daycare dilemmas husbands who don t get it it s all here presented in an entertaining easy to read format

Blood of Angels Alexis Brooks de Vita,2024-09-11 The Second Book of Joy Blood of Angels is the first notebook of family lore that Professor Bo Wolfson researched in The Books of Joy Burning Streams These are the magical tales about their enslaved ancestors that his lover Eva Dennison fought with him to destroy In their collected memoirs nine enslaved women tell how they freed themselves and took over their owners Mississippi breeding plantation using African African American and European folktales to describe the magic and willpower that set them free From the tale of a beautiful woman imprisoned in a tower to save her village from slave raiders to the murdered girl whose spirit is trapped in her bedroom mirror these stories build to a bloody battle between the shape shifting freed people hiding in plain sight and the bounty hunting patrollers who pursue them The blue eyed African American girl who masquerades as the freed people s owner must learn in the end to choose the love and freedom in hiding that she can have or succumb to the death that is its only alternative *New Outlook* ,1907 **The Reporter's Handbook** Carrol Baker
