

Macbeth: Making Meaning Act 3

Reviewing the Text

- a. In the short soliloquy that opens Scene 1, what does Banquo reveal about Macbeth? What does he decide to do?
Banquo suspects that Macbeth murdered Duncan. Although his thoughts are interrupted by Macbeth's arrival, he seems to be waiting to find out whether the rest of the prophecy comes true.
 - b. How and why does Macbeth arrange Banquo's murder? How is Lady Macbeth involved in the murder?
Possible answers: He hires two murderers and convinces them that Banquo has wronged them. He then sends a third murderer to make sure that they do their job, because Macbeth sees Banquo as a threat. Lady Macbeth is not involved in these plans.
 - c. In Scene 3, who escapes the murderers?
Fleance.
 - d. Describe what happens in Scene 4 when Ross, Lennox, and the other lords invite Macbeth to share their table. What does Macbeth do? What does Lady Macbeth do?
Macbeth (but no one else) sees Banquo's ghost at Macbeth's chair and speaks to him, refusing to sit. Lady Macbeth tries to cover for him by saying that he has customary fits; she dismisses the guests.
 - e. Macduff does not appear at all in Act 3. Where is he, and why?
He has gone to the court of Edward, king of England, to ask for an army to overthrow Macbeth.
 - f. By Scene 6, what opinion do Lennox and the other lords hold of Macbeth?
They believe him guilty of the murders of Duncan and Banquo.
-

First Thoughts

1. What title would you give Act 3?
Answers will vary. Possible titles: "Botches in the Work" or "The Bloody Business" (taken from quotations).

Shaping Interpretations

2. Why do you suppose Shakespeare did not have Macbeth kill Banquo with his own hands, as he killed Duncan and his two guards? What can you infer about Macbeth's changing character after seeing how he engages in this complex plan involving professional murderers?
Possible responses: Perhaps he wanted to show a change in Macbeth's character- to show him not only growing accustomed to crime but becoming more devious and arranging matters so he could deny that he did it and his denial would be technically true (an equivocation).
3. The relationship between Macbeth and Lady Macbeth has changed in several ways since they became rulers of Scotland. Describe some of these changes. What reasons can you suggest for these changes?
Possible answers: Some changes are role reversal- she plans the first murder, and he only goes along because of her plan; but he plans Banquo's murder, arranges to have it done by others, and keeps her out of it. They seem very intimate as they plan and carry
