## **Foundations Building On Jesus:**

**Foundations** One Church, Kim Rilea, Chet Boyd, Greg Hagues, Codie Haddon, Derek Amos, Meghan Camp, Michael McGough, 2014-11-12 For each one of us there is something that our lives are built on a set of beliefs that supports and holds our lives together Just like with a house each one of us builds our life on a foundation Jesus says that the quality of that foundation determines the quality of our lives I will show you what it's like when someone comes to me listens to my teaching and then follows it It is like a person building a house who digs deep and lays the foundation on solid rock When the floodwaters rise and break against that house it stands firm because it is well built Luke 6:47-48 NLT The foundation matters A foundation that is laid on solid rock is one that is built well A house that has this kind of foundation will stand against all the floodwaters Just like that house if our lives are set on a well built foundation one that's built on solid rock we will be able to stand strong The solid rock is Jesus Himself and the foundation is His teaching As we follow Him and obey we dig deep building our lives on this solid foundation And we will be able to stand What follows here are what Jesus taught us through His own life and words the prophets who prepared the way for Him and His Apostles The leaders of One Hope Church have done their best to clearly and concisely explain the most important foundational truths of the Bible in these pages We haven't said everything there is to say but we do believe that if you will carefully prayerfully and submissively live out these foundations God will help you dig deep and lay your foundation on solid rock The floodwaters will rise and break against your life but you will stand firm You will have a quiet strength knowing that you have built well as a follower of Jesus

**Revisiting the Foundations** Dr. Kazumba Charles, 2015-10-09 Psalm 11:3 reads If the foundation be destroyed what can the righteous do Behind every social and spiritual problem stands the greater problem of the foundation The foundation of our life is the source of our spiritual strength and stability We cannot withstand or overcome the demonic forces of this world without building a strong spiritual foundation Satan's goal is to tamper with our spiritual foundation which is the source or center of our belief faith stability and trust in God In Revisiting the Foundations author Kazumba Charles shows you how to build your foundation with the only one who can defeat SatanJesus Christ The author takes you through questions to assess your present situation Is your spiritual foundation strong enough to withstand the pressures of life Are you ready to become spiritually healthy desire to change the current condition of your life and become steadfast in your faith and trust in God In Revisiting The Foundations You will discover also how you can build your life on the undefeatable unshakable and indestructible foundation of Jesus Christ With faith based on such a foundation nothing is impossible

**Revisiting The Foundations** Dr Kazumba Charles, 2015-10-09 Revisiting the Foundations Building Our Lives on Christ by Dr Kazumba Charles is a powerful call to believers to examine and strengthen their spiritual foundations in Christ Drawing from Psalm 11:3 the book emphasizes that without a solid foundation in Jesus it's impossible to stand strong against life's challenges and spiritual battles Dr Kazumba offers biblical insight and practical guidance to help readers build unshakable faith grow

spiritually and find renewed purpose by anchoring their lives on the unmovable Rock Jesus Christ This book inspires transformation resilience and a deeper walk with God **Foundations for Life Volume 1** Chris Davis,2021-06-15 This volume sets the initial block of the spiritual foundation for life You will dig deep to understand who God Jesus and the Holy Spirit are and why it is so essential to understand them and relate to them personally to begin building a solid spiritual life

**Upon This Rock** Rosie Rivera,2014-09-26 Many new believers struggle due to a lack of knowledge The Bible states that we as baby Christians should desire the sincere milk of the Word that we might grow by it Many people get born again and go back into the old lifestyle because they have no root in the Word and their foundation is weak I would like to see every new believer become established and grounded in the Word so that they have a firm foundation that cannot be moved Tests and trials come to each of us and the type of foundation our life is built upon determines whether we stand or fall The more we understand the Word the stronger our foundation becomes God desires that we take His written Word and His revealed Word and apply them to our daily lives This book is intended to inspire new believers to go after God to get to know Him and to love the Word There is no greater joy than knowing Jesus who came to give His life for us so that we can have eternal life

**Foundations for Life Volume 1 [Youth Version]** Chris Davis,2021-06-02 This volume sets the initial block of the spiritual foundation for life You will dig deep to understand who God Jesus and the Holy Spirit are and why it is so essential to understand them and relate to them personally to begin building a solid spiritual life **The Principles of Kingdom**

**Foundations** Nelson O. Olajide,2012-11-29 Foundation addresses the very core of our integral being It is the single most important thing in our lives Our success or failure is determined by the type of foundation we have No marriage succeeds without a solid foundation No business lasts without a solid foundation No country triumphs without a firm foundation No ministry experiences a breakthrough without it Foundation is connected to every aspect of our lives I have seen a lot of families businesses Careers and ministries growing or breaking up as a result of the foundations they laid Beloved the purpose of this book is not just to reveal the effects of the wrong foundation we have laid but also to reveal the remedy for the broken foundation If the foundations are destroyed what can the righteous do Psalm 11 3 KJV This question remains the enigma that everybody needs to solve As you read this book ask yourself some sincere questions regarding the problems youve had and the one you are passing through right now Are the foundations of your marriage business career spiritual life etc in good order If not my prayer for you is that as you read this book you might find joy peace victory solution and fulfilment that only the power available in the name of Jesus Christ our ultimate Foundation brings *The Foundation of Faith* David Benson Kiehn,2017-04-09 Every Christian is called to build their foundation on the Lord Jesus Christ Paul writes to the church at Corinth According to the grace of God given to me like a skilled master builder I laid a foundation and someone else is building upon it Let each one take care how he builds upon it For no one can lay a foundation other than that which is laid which is Jesus Christ 1 Corinthians 3 10 11 The earliest foundation of the gospel of Jesus Christ was laid out in

the opening pages of the Bible in its first book Genesis provides the foundation of God's people by showing how the gracious almighty Sovereign Lord God created the world and lovingly set his affection on his people through an everlasting promise. This book is an attempt to help believers build their lives on a solid foundation. Genesis provides the beginning framework of how God created, called, and cared for his people. As Christians understand the great legacy of God's faithfulness to his people, they will understand that Israel's story is ultimately their story as well. God's people were built on a promise. That promise was fulfilled in the life, death, burial, and resurrection of Jesus Christ. If Christians want to build their life on a solid foundation, they should start at the beginning. I pray that you will learn more of your foundation as you grow in your understanding of the history of God's people. Build your life on a solid foundation. Build your life on the promise of God. **Building on a Firm Foundation**

**Frederick K. C. Price, 1998** **Firm Foundations** Ken Legg, 2014 Twelve Bible studies in foundational truths of

the Christian life e.g. righteousness, identity, grace, faith, new creation, new covenant, the new man, the love of God, sons of God, eternal life, etc.

*Christ in the Stage of the Spirit in the New Testament* Witness Lee, 2024-11-07 Two passages in the New Testament speak of Christ's becoming: John 1:14 tells us that He as God became flesh, and 1 Corinthians 15:45 reveals that He as the last Adam became a life-giving Spirit. From this we can see the three stages of Christ. In His first stage, He was God with divinity only. In His second stage, the stage of the flesh, He became a man having humanity added to Him to make Him a God-man. Then in His third stage, He became the life-giving Spirit. By these three stages, Christ has become living, practical, and available to us.

**Guided Bible Studies for Hungry Christians** Joanne Holstein, Kathy McFarland, 2004 001

Foundation is the first book in the Becker Bible Studies series for hungry Christians. It contains 1057 Biblical workbook questions, each having Biblical references to support the answers. All lessons progress from simple statements of fact to new and difficult concepts, and are followed by tests written to enrich and challenge the learning process. A readable and comprehensive workbook for both teachers and students. Although it is possible to use 001 Foundation for self-study, it is recommended for most students to receive instruction through a teacher, most often in a home setting. The gathering of Christians to learn the Word of God in a setting most conducive to growth, guided by a teacher and in the presence of the Holy Spirit, is the ideal environment for this study of 001 Foundation to nourish. It is imperative that serious Bible students who are hungry for the Word of God start their study with a solid foundation so everyone is on the same page. Since it is impossible to determine any gaps or misinformation in the foundation of a person's spiritual knowledge, growth and faith, this first book lays the foundation before the in-depth Bible studies take place. With many more books to follow upon which to build one's spiritual knowledge and faith, 001 Foundation is the first one with which to get started.

**Project Title** Tim Wesemann, 2006 *Five Foundations of Human Development* Errol A. Gibbs, Philip A. Grey, 2011-06-08 Five Foundations of Human Development FFHD is a philosophical, religious, and practical discourse on human development based on the following five foundations: Spiritual, Moral, Social, Intellectual, and Physical. The authors proffer that human beings possess the capacity

to rise to a higher state of civilization when we allow Spiritual Intelligence to underpin human intelligence as our capable guide The indomitable spirit within human beings that brought civilization out of the Dark Ages and into an Age of Enlightenment demonstrates our capacity to transcend moral hope and optimism for a better world with peaceful coexistence among individuals families and nations This book will help inform enlighten and empower individuals and leaders in such fields as engineering science religion politics the military and other great institutions to engender solutions to the myriad of unsolved problems of past centuries problems of the present and emerging problems of the future Problems such as wars genocide greed and the exploitation of human beings begin within our destructive spiritual nature and manifest in the physical nature Therefore solutions also lie in the spiritual realm as a counterbalance to the natural realm of human existence FFHD is a blueprint for human survival based on adherence to physical laws and spiritual laws that transcend a belief in an omnipotent all powerful omnipresent everywhere and omniscient all knowing being It will awaken the conscience to comprehend the lifethreatening issues that face humankind The solutions therefore cannot merely be left only to the educated elite the military forces and those in high public and private office The global significance of this book is that it informs a more communal view of our world It is the only perspective that will allow us to enter the global village prepared for the racial social cultural environmental and economic challenges that lie ahead
