

Proverbs

God gave Solomon a special gift of wisdom.

People travelled from all over the world to listen to him and ask for help.

King Solomon wrote a book of Proverbs to help others.

A proverb is a short, wise, easy-to-learn saying.

When people asked King Solomon what to do, He replied.

"Trust in the Lord with all your heart, and do not lean on your own understanding.

In all your ways acknowledge Him, and He will make straight your paths."

King Solomon learned a lot from nature and God's creation.

He wrote about beasts, birds, reptiles, bugs, and fish.

He wrote about flowers, leaves, and trees.

King Solomon said we can learn from God's creation and become wise.

King Solomon told parents that children are never too young to learn about God.

He said, "Train up a child in the way they should go; even when they are old, they will not depart from it."

Proverbs for Kids JoHannah Reardon, 2012-04-01 Written by a Christianity Today International editor this devotional from the Book of Proverbs is designed to be a platform for you to talk about the issues that your 7-10 year old child faces every day They are designed to be short and simple so that you are more likely to read them as a family consistently throughout the year Much of what our children see on television at school on the internet and so on shows us how much we need the Book of Proverbs All we have to do is watch people around us to figure out how to do what is wrong It is much harder to find those who will tell us what's right King Solomon does just that in Proverbs It's amazing to see that people really haven't changed much in 3 000 years Kids wanted answers then and they still do now Proverbs 1-3 tells us that the Book of Proverbs will teach us how to be wise self-controlled honest fair and right If we can help our children get a start on all those things while they are still young think what terrific people they will be as adults
