M Walker

Father Christmas The Daddy School Series English Edition:

Father Christmas (Book 2 The Daddy School series) Judith Arnold, 2025-03-01 Connecticut police detective John Russo is responsible to a fault. When his girlfriend got pregnant he married her. When she walked out on the marriage he committed himself to raising their son himself. But when his baby sitter has a family emergency and must fly to California John's carefully rigged existence comes crashing down. He needs help and fast. Molly Saunders co-founded the Daddy School to help men become better fathers. She wants to help John not just by providing a space for his two year old son in her preschool but also by teaching him how to deal with his son's demands and teaching him that despite the occasional brutality of his work he can still be a loving, vulnerable man. When it comes to learning the skills he needs to raise his son well John is an A student. But Molly's lessons in love prove much more challenging. Can a man who conceals a gun inside his undercover Santa Claus costume actually be the gentle, sensitive man of Molly's dreams?

Father Found (Book 1 Daddy School Series) Judith Arnold, 2025-03-01 Winner of the Romantic Times Reviewers Choice Award Book One of Judith Arnold's popular Daddy School series Jamie McCoy is the ultimate guy thirty years old, carefree and professionally successful as the writer of a nationally syndicated humor column called Guy Stuff. Nine and a half months ago he spent a week basking on the beach in Eluthera and indulging in a fling with a woman at the resort. Never did he expect to find the unplanned result of that fling a healthy, wailing baby named Samantha strapped into a car seat on his back porch along with a suitcase full of diapers and infant apparel and a note informing Jamie that he's her father. Maybe he is and maybe he isn't. But first things first. He's never fed a baby or changed a diaper in his life. He doesn't own a crib or a stroller. In a panic he phones the nearest hospital where neonatal nurse Allison Winslow takes his call and tells him about a class she teaches called the Daddy School Classes on how to be a dad are exactly what Jamie needs. But when he attends his first class and sees the tall, earnest, amazingly beautiful and even more amazingly competent Allison he realizes that he might just need more from her than her lectures on how to hold a baby. Jamie's efforts to be a father to this precious baby touch Allison. His sense of humor amuses her. His striking good looks turn her on. But how can she trust the sort of guy who'd sleep with a stranger on vacation without giving a thought to the consequences? How can she give her heart to such a reckless man?

Translation and Conflict Mona Baker, 2018-10-25 Translation and Conflict was the first book to demonstrate that translators and interpreters participate in circulating as well as resisting the narratives that create the intellectual and moral environment for violent conflict and social tensions. Drawing on narrative theory and with numerous examples from historical and current contexts of conflict, Mona Baker provides an original and coherent model of analysis that pays equal attention to the circulation of narratives in translation and to questions of dominance and resistance. With a new preface by Sue Ann Harding, Translation and Conflict is more than ever the essential text for any student or researcher interested in the study of translation and social movements.
