Service Manual

Supplement

This supplement is designed to be used in conjunction with the FD501D/DOHC/DOHCV base Service Manual (5905014-0004-1-01). Service operations, procedures, specifications, figures, and tables put in this supplement are only those that are unique to the FD501D engine. These remain almost identical to those put in the base service manual. Complete and proper service of the FD501D engine therefore requires both this supplement and the base service manual. Use the base service manual to see the FD501V engine corresponding to the FD501D engines.
