Develop trial strategies that exploit common problems with certain methods of proof and kinds of evidence offered by the government. Propose settlements or plea bargain agreements within the authority of the DOJ attorney handling the case. This new Third Edition of Department of Justice Manual has been expanded to eight volumes and the materials have been completely revised to accommodate newly added materials including the text of the Code of Federal Regulations Title 28 and Judicial Administration as relevant to the enforcement of the Federal Sentencing Guidelines by the Department of Justice. The Manual for Complex Litigation and The United States Sentencing Commission Guidelines Manual. The new edition also includes The National Drug Threat Assessment for Fiscal Year 2011 and the updated version of the Prosecuting Computer Crimes Manual. In an effort to provide you with the best resource possible as part of the Third Edition, the Commentaries in each volume have been renumbered to refer to the relevant section in the United States Attorney and s Manual for more efficient cross referencing between the Manual and the Commentaries.
