On the road to success, good friends are never far apart in the world of the Sweet Magnolias. Now a Netflix original series, Helen Decatur spent a lifetime setting goals, getting through college and law school, opening her own practice, becoming financially secure, and establishing herself as one of the most highly respected divorce attorneys in the state of South Carolina. Achieving those goals was a breeze compared to the one she's faced with now. The most driven and cynical of the Sweet Magnolias, Helen is forty-two, single, and suddenly ready for the family she's put on the back burner for all these years.
