These 34 game situations analysis has been used to produce 34 sessions 160 practices including quick passing functional practices patterns of play possession games transition games opposed unopposed zone play game situations and small sided games. In short this book will help you coach your team The Barca Way *Flying Magazine*, 2002-08 **Flying Magazine**, 2002-08 **Train Like Barcelona. Play Like Barcelona.**

Marcus DiBernardo, 2015-06-12 This book is not designed to break down in detail Barcelona's formations and tactics. It is not an in depth tactical analysis of each player's role and responsibilities in the Barcelona system of play either. The focus of this book is to provide you with training ground exercises direct from FC Barcelona. The exercises focus on the major principles and concepts that Barcelona embrace as an entire club. Each exercise directly relates to the Barcelona Training Model that fits directly into the Barcelona Game Model. The exercises in the book cover the four phases of the game attacking transition attacking organization defensive transition and defensive organization. FC Barcelona is famous for their total commitment to play their style of soccer with all their teams from U8 all the way up to the first team. Many people refer to the Barcelona style of play as Tiki Taka. The Tiki Taka possession style of soccer Barcelona plays requires years and years of training. Players must be technically gifted with a complete understanding of the Barca system. In the simplest of explanations Barcelona's former Coach Pep Guardiola explains the Barcelona style of play as This is a game of 11v11 with one ball and we try to keep this ball we try to play with this ball. Guardiola is basically saying that at Barcelona ball possession and ball circulation is of the highest importance. The players are trained to pass the ball and keep the ball under intense pressure from the opposing team. While in possession supporting players form triangles and diamonds to support the player with the ball provides multiple passing options. FC Barcelona has proven that their method works and works very well. Just look in their trophy cabinet. They have won the treble twice in the last ten years along with 7 La Liga titles in 10 years. The exercises in this book will have your team training like Barcelona and through time playing like Barcelona training model game model.

**Coaching the Tiki Taka Style of Play** Jed C. Davies, 2013 Jed Davies outlines in detail the Tiki Taka football philosophy popularised by Barcelona and Spain and shows you the coach how to implement this style of play. Davies has studied the methods used at FC Barcelona, Liverpool FC, Swansea City FC, Villarreal CF and AFC Ajax who have all developed possession based philosophies as a way of controlling and winning games. Part 1 explores the development theory that requires an understanding before you are able to produce the Tiki Taka style of football. This includes Establishing a Football Philosophy, Identifying Local Talent and Purposeful Training. Part 2 looks at the Tiki Taka philosophy and how it can be developed through purpose designed training sessions. 50 practices are provided from professional clubs including FC Barcelona, AFC Ajax, Athletic Bilbao and Liverpool FC. Part 3 looks at the influential figures in the evolution of Tiki Taka with chapters on

Rinus Michels The Father of Football Johan Cruyff and Pep Guardiola among others Part 4 looks at the Tactical Theory and provides a blueprint of how to play with the Tiki Taka brand of football It analyses positional systems game realistic situations and solves tactical problems such as when the opposition are sitting in a deep low block Parking the Bus all using the advice provided from professional coaches who have been involved in the implementation of the Tiki Taka philosophy Included Guardiola Cruyff and Van Gaal s Positional Systems Ball Circulation Transition Phases Collective Pressing inc Barca s 6 Second Rule Creating Goal Scoring Opportunities Tactical Solutions Variations Individual Player Roles Responsibilities

### **Rondo Soccer Drills Chest**

Dugger,2021-06-12 Have you wondered how Pep Guardiola's teams have dominated European leagues for the last two decades Not only is the answer simple it's something that you can use to take your game and your team's game leagues above your opposition The key to Pep's success at Barcelona and Manchester City is the Rondo Rondos have transformed modern football Not only have Rondos helped Pep dominate European football they've helped turn the Spanish national team into the best in the world The system behind Rondos was the beating heart of the brilliant Barcelona teams which dominated Europe for a decade from 2005 They made soccer even more exciting to watch improving players technical ability and creating a proper total football in the European sense game Their approach was reminiscent of the fantastic Ajax team of the 1970s and the great Dutch teams of that era They led to the excitement of the high press and the thrilling soccer which follows when the press is defeated They proved the benefit of technique over physical prowess So what is this miracle of the training pitch which has so transformed the game of soccer The beauty of the rondo is its simplicity It is a drill where the objective is to retain possession As rondo drills become more complex this aim might develop It might be about keeping possession in transition or maintaining possession to create a goal scoring opportunity However at its heart is the objective of one side keeping hold of the ball A second key element of a rondo is that the sides are uneven One team has extra players It can take a form as exaggerated as 10 v 1 or as close as 5 v 4 However the point is that some pressure is applied but not so much as to make the drill difficult to perfect Thus confidence grows and in turn touch and vision A rondo is usually a drill that takes place in a limited space typically a circle square or rectangular grid Thus first and second touches are perfected because there is not much time to take many touches Finally and crucially rondos are drills that are fast and fun They involve lots of touches for the players in possession and a real sense of achievement on the rare occasions that the smaller side actually wins back the ball So simple Yet so effective This coaching book celebrates the rondo and offers drills tactics and coaching techniques to help soccer players at any level from the unbounded enthusiasm of Under 6s to the worldly view of veteran teams From the pub side who turn out on a Sunday morning cooked breakfast weighing heavily on their hangover infused stomachs to the champion youth team of the region We can all improve as coaches and players The rondo is the system that enables progress to happen more quickly and efficiently than any other soccer coaching strategy Even if you haven't heard of Rondos before you'll gain a lot from this book Order Now

### All About Pressing in Soccer Laco

Borbely,Jaroslav Hrebdk,Peter Ganczner,Andi Singer,2018-10-01 All About Pressing in Soccer provides a detailed look at the

history theory and practice of pressing in soccer. With this comprehensive resource the coach and player will improve their understanding of game tactics making them stronger and more successful as a coach or player. In today's fast paced game when a team loses possession of the ball it does not wait for its opponent's offensive tactics to begin. Instead the defensive team limits the spatial aspects of their opponent's game through directed resistance or pressure which immediately limits the offense's options. Beginning with a look at the history of pressing you will gain background knowledge crucial for understanding the theory behind pressing which is presented in the second part of the book. Once you understand the why and the how of pressing you will be able to use the practical techniques and drills presented in the third section. With this book you whether a coach or a player will have all the tools needed to implement a strong pressing tactic in the game giving you that necessary edge over your opponents.
