**the Purpose and Power of Prayer** Myles Munroe, 2018-01-02 Learn to Pray And Change the World You're in our prayers has become a cliché. Just a nice thing to say when we see someone struggling. But do we really understand the power of prayer? God, God Almighty, God the Creator of the heavens and the earth, God the Beginning and the End, God the Source of all that is, God the Creator of man, the same God in all His power and all His majesty stops and listens when you pray. God has given humanity the ability to bring heaven to earth. Whether you know it or not, you have the authority to change the world through prayer. When God said, "Let mankind rule over all the earth," He was arranging the dominion of the world so that the partnership of mankind was essential for the accomplishment of His purposes. Through his unique perspective on this often misunderstood subject, best-selling author Dr. Myles Munroe takes the mystery out of prayer, providing practical answers for difficult questions about communicating with God. All that God is and all that God has may be received through prayer. Everything you need to fulfill your purpose on earth is available to you through prayer. The biblically based, time-tested principles in this book will ignite and transform the way you pray. Be prepared to enter into a new dimension of faith, a deeper revelation of God's love and a renewed understanding that your prayers can truly move the hand of God. This expanded edition includes study questions for individual or small group use.

**The Life Balance Programme** Peta Lyn Farwagi, 1998 Through a combination of philosophical, psychological, and practical advice, Farwagi turns upside down the conventional belief that to succeed we must bow to corporate demands. Instead, to avoid stress and ultimately burn out, individuals today must achieve greater balance between the various influences in their lives: work, friends, family, hobbies, health, mind.

**Change Your Heart, Change Your Life** Gary Smalley, 2012-03-26 Out of your heart flow your words and actions. Change your heart and you'll change your life. According to best-selling author Dr. Gary Smalley, nobody has to live by the destructive, subtle lies or believe the distortions of truth this world holds out to us. There are steps, strategies, and beliefs people can bring to their lives to either totally transform them or quietly improve them, and it all starts with hiding God's Word in their hearts. Hiding God's Word in his heart radically changed the life of Smalley himself, and he is seeing it revolutionize the lives of people around him, as well, from lust, materialism, selfishness, anger, stress, overeating, anxiety, and guilt, just to name a few. No matter a person's age, experiences, or previous patterns, this book will guide readers to the whys and hows of orchestrating their beliefs to forever change their lives and relationships.
