**The Gospel According to ANE Covenant Understanding** Dave Schoch,2014-01-15 Most Christians in the Church today in the West do not know about Ancient Near Eastern ANE covenants nor do they understand that the covenants God has made with mankind are based in form on ANE covenants and their governing principles In fact the Old and New Covenants are ANE covenants Scholars and theologians know that the greater understanding we have of the historical and cultural roots of Christianity we can come to a more accurate interpretation of the New Testament Scriptures This is particularly true since Biblical archaeology has unearthed information regarding ANE covenants which the Fathers of the Reformation did not have access to when formulating their doctrinal beliefs and creeds Because the New Testament is an ANE covenant the governing principles of ANE covenants affects how we must interpret the Scriptures emanating from that covenant The information brought forth in this volume demands dissemination throughout the grassroots levels of the Church and Christian academia
